| 7     | Rule 11                                                                                                          | Lack of detail and failure to answer basic questions           | Name: Maria Rodriguez                                               | Provide more details about Maria Rodriguez, such as her role in the incident.                                                                    |
| 7     | Rule 12                                                                                                          | Lack of specific, concrete details                             | Name: Maria Rodriguez                                               | Provide more specific and concrete information about Maria Rodriguez, such as her age and appearance.                                            |
| 7     | Rule 2                                                                                                           | Conclusory statement                                           | Name: Maria Rodriguez                                               | Instead of simply stating Maria Rodriguez's name, provide more context or details about her.                                                     |
| 8     | Rule 2, Rule 5, and Rule 11                                                                                      | Lack of observable facts and failure to answer basic questions | Date of Birth: February 12, 1985                                    | The victim, Maria Rodriguez, was born on February 12, 1985, as stated in the report.                                                             |
| 8     | Rule 10                                                                                                          | Lack of chronological context                                  | Date of Birth: February 12, 1985                                    | This information should be presented in the context of the narrative, such as "The victim, Maria Rodriguez, was born on February 12, 1985."      |
| 8     | Rule 12                                                                                                          | Lack of specific, concrete details                             | Date of Birth: February 12, 1985                                    | Instead of simply stating the victim's date of birth, provide more context or details about her.                                                 |
| 9     | Rule 5                                                                                                           | Lack of attribution                                            | The reporting person is the wife of the suspect                     | The victim stated that she is the wife of the suspect.                                                                                           |
| 9     | Rule 14                                                                                                          | Pronoun ambiguity                                              | The reporting person is the wife of the suspect                     | The victim, who is the wife of Juan Carlos Hernandez, reported the incident.                                                                     |
| 11    | Rule 2                                                                                                           | conclusory statement                                           | Name: Juan Carlos Hernandez                                         | Instead of just stating the name, provide observable facts that support the identification.                                                      |
| 11    | Rule 5                                                                                                           | lack of attribution                                            | Name: Juan Carlos Hernandez                                         | Attribute the identification of the suspect to the person who provided the information.                                                          |
| 11    | Rule 10                                                                                                          | lack of chronological context                                  | Name: Juan Carlos Hernandez                                         | Provide the chronological context for the identification of the suspect, such as "The suspect, Juan Carlos Hernandez, was identified on [date]." |
| 12    | Rule 2: Never state conclusions or facts that support them, and Rule 15: Use past tense throughout the narrative | State of observability                                         | Date of Birth: November 10, 1982                                    | I observed the suspect's identification, which listed his date of birth as November 10, 1982.                                                    |
| 12    | Rule 5: Attribute every statement to its speaker                                                                 | Unattributed statement                                         | Date of Birth: November 10, 1982                                    | The suspect's identification, which I observed, listed his date of birth as November 10, 1982.                                                   |
| 12    | Rule 6: Every fact should be introduced by a subject                                                             | Unattributed statement                                         | Date of Birth: November 10, 1982                                    | I observed the suspect's identification, which listed his date of birth as November 10, 1982.                                                    |
| 13    | Rule 12                                                                                                          | Vague term                                                     | Age: 40                                                             | Age: exactly 40 years old                                                                                                                        |
| 13    | Rule 11                                                                                                          | Lack of detail                                                 | Age: 40                                                             | The suspect, Juan Carlos Hernandez, was exactly 40 years old at the time of the incident.                                                        |
| 14    | Rule 12                                                                                                          | Vague term                                                     | Approximately 5'10"                                                 | Exactly 5 feet 10 inches or 5 feet 9 inches to 5 feet 11 inches to provide a clear and standard unit of measurement.                             |
| 14    | Rule 2                                                                                                           | Lack of observable facts                                       | Height: Approximately 5'10"                                         | The suspect's height was measured to be exactly 5 feet 10 inches or was approximately 5 feet 10 inches.                                          |
| 14    | Rule 9                                                                                                           | Unexplained unit of measurement                                | Approximately 5'10"                                                 | Exactly 70 inches or 178 centimeters to provide a clear and standard unit of measurement.                                                        |
| 15    | 12                                                                                                               | vague term                                                     | Approximately 180 lbs                                               | The suspect weighed 180 pounds.                                                                                                                  |
| 15    | 2                                                                                                                | conclusory statement                                           | Approximately 180 lbs                                               | The suspect appeared to weigh approximately 180 pounds based on my observation.                                                                  |
| 16    | Rule 2                                                                                                           | conclusory statement                                           | notable physical characteristics including stubble and facial hair  | The individual had facial hair that appeared to be several days old and had a visible cut on their right hand.                                   |
| 16    | Rule 2                                                                                                           | conclusory statement                                           | a visible cut on their right hand                                   | The individual had a laceration on the dorsal surface of his right hand, approximately 2 inches long.                                            |
| 17    | Rule 2                                                                                                           | conclusory statement                                           | Husband (5 years married)                                           | The victim stated that she has been married to the suspect for 5 years.                                                                          |
| 17    | Rule 5                                                                                                           | lack of attribution                                            | Husband (5 years married)                                           | The victim stated that she has been married to the suspect for 5 years.                                                                          |
| 17    | Rule 11                                                                                                          | incomplete information                                         | Husband (5 years married)                                           | The victim, who has been married to the suspect for 5 years, reported the incident.                                                              |
| 17    | Rule 14                                                                                                          | pronoun clarity                                                | Husband (5 years married)                                           | The victim stated that she has been married to her husband, the suspect, for 5 years.                                                            |
| 19    | Rule 5                                                                                                           | Lack of attribution                                            | Name: Emily Chen                                                    | The witness, Emily Chen, was identified by the victim as a next-door neighbor.                                                                   |
| 19    | Rule 11                                                                                                          | Insufficient information                                       | Name: Emily Chen                                                    | The witness, Emily Chen, a 30-year-old female, who resides at 1457 Oakwood Drive, Apartment 138, Sacramento, California.                         |
| 19    | Rule 12                                                                                                          | Lack of specific details                                       | Name: Emily Chen                                                    | The witness, Emily Chen, a 30-year-old female, who resides at 1457 Oakwood Drive, Apartment 138, Sacramento, California.                         |
| 20    | Rule 5: Attribute every statement to its speaker                                                                 | Lack of attribution                                            | Relationship: Next-door neighbor                                    | The witness, Emily Chen, stated that she was the next-door neighbor.                                                                             |
| 20    | Rule 11: Answer the basic questions for a story of people                                                        | Insufficient information                                       | Relationship: Next-door neighbor                                    | The witness, Emily Chen, who is the next-door neighbor, provided information about the incident.                                                 |
| 20    | Rule 12: Use specific, concrete details                                                                          | Vague language                                                 | Relationship: Next-door neighbor                                    | The witness, Emily Chen, lived in the adjacent apartment and had a clear view of the incident.                                                   |
