| 8     | Rule 10: Write in chronological order          | chronological order            | SECTION 1 — PARTIES INVOLVED                                                               | This section should be placed after the incident description to maintain chronological order.                                  |
| 9     | Rule 6: Every fact has a source                | lack of information            | Victim and complete                                                                        | Provide complete and accurate information about the victim, including their name, address, and contact information.            |
| 9     | Rule 11: Answer the six basic questions        | lack of basic information      | Victim and complete                                                                        | Answer the six basic questions (Who, What, Where, When, Why, and How) for the victim.                                          |
| 14    | Rule 5                                         | Lack of exact quote            | There is no section provided to summarize. The section is empty.                           | Provide the police report text from this chunk, e.g. "The suspect said, 'I did not do this.'"                                  |
| 14    | Rule 11                                        | Insufficient information       | There is no section provided to summarize. The section is empty.                           | Provide the police context about the incident, including the suspect's name, the victim's name, and the location.              |
| 15    | Rule 5: Quote victims, witnesses, and suspects | lack of quotes                 | Names: Ryan Chen                                                                           | No direct quote is present in this chunk to correct, ensure all direct quotes are properly attributed.                         |
| 15    | Rule 11: Answer the six basic questions        | lack of basic information      | Names: Ryan Chen                                                                           | Who, What, Where, When, Why, and How. Provide more context or details about Ryan Chen, such as his role in the incident.       |
| 15    | Rule 14: Use pronouns carefully                | lack of clarity                | Names: Ryan Chen                                                                           | Ensure that pronouns used in the narrative clearly refer to a specific noun.                                                   |
| 17    | 9                                              | unexplained address            | Address: 1456 Oakwood Drive, Apartment 3                                                   | Address: 1456 Oakwood Drive, Apartment 3                                                                                       |
| 20    | Rule 10: Write in chronological order          | lack of chronological order    | The sequence of events and key facts cannot be determined.                                 | Provide the incident description in chronological order of events.                                                             |
| 20    | Rule 11: Answer the six basic questions        | lack of basic information      | The sequence of events and key facts cannot be determined.                                 | Include the six basic questions (Who, What, Where, When, Why, and How) in the incident description.                            |
| 21    | 2                                              | conclusory statement           | Two minor children of the victim and suspect, ages 7 and 9, were present at the residence. | The 9-year-old child was present at the residence, and the 7-year-old child was not present.                                   |
| 21    | 11                                             | lack of detail                 | Two minor children of the victim and suspect, ages 7 and 9, were present at the residence. | The 9-year-old child was present at the residence, and the 7-year-old child was not present.                                   |
| 22    | Rule 8: Address lack of detail                 | lack of detail                 | The section is empty and does not contain any information.                                 | Provide details about the police report, including their name, relationship to the victim, and any other relevant information. |
| 22    | Rule 10: Write in chronological order          | lack of chronological order    | The section is empty and does not contain any information.                                 | Provide information about the police report in chronological order of events.                                                  |
| 22    | Rule 11: Answer the six basic questions        | lack of basic information      | The section is empty and does not contain any information.                                 | Answer the six basic questions (Who, What, Where, When, Why, and How) in the incident description.                             |
| 26    | Rule 10: Write in chronological order          | lack of chronological order    | The section is required to create a 2 sentence summary of the incident.                    | The section should describe the incident in chronological order, not in the order of the police report.                        |
| 26    | Rule 11: Answer the six basic questions        | lack of basic information      | The section is required to create a 2 sentence summary of the incident.                    | The section should answer the six basic questions (Who, What, Where, When, Why, and How) in the incident description.          |
| 41    | Rule 10: Write in chronological order          | lack of chronological order    | There is no section provided to summarize. The given section is empty.                     | Provide a detailed description of the incident in chronological order.                                                         |
| 41    | Rule 11: Answer the six basic questions        | lack of basic information      | There is no section provided to summarize. The given section is empty.                     | Include information about the children, such as who they are, what they are doing, and where they are.                         |
| 47    | Rule 10: Write in chronological order          | lack of chronological order    | The section titled 'SECTION 10 — SUSPECT INFORMATION' is empty.                            | Provide a detailed description of the suspect's information and arrest in chronological order.                                 |
| 47    | Rule 6: Every fact has a source                | lack of information            | The section is empty.                                                                      | Include all relevant information about the suspect's arrest, such as the time, location, and the officer's name.               |
| 47    | Rule 21: The name of the officer               | insufficient information       | The section is empty.                                                                      | Establish the officer's standing to be at the location, reasonable suspicion, and the officer's name.                          |
| 50    | Rule 10: Write in chronological order          | lack of chronological order    | The section title 'SAFETY PLANNING AND VICTIM SERVICES' is empty.                          | Provide a detailed description of the safety planning and victim services in chronological order.                              |
| 50    | Rule 11: Answer the six basic questions        | lack of basic information      | The section title 'SAFETY PLANNING AND VICTIM SERVICES' is empty.                          | Provide a detailed description of the safety planning and victim services in chronological order.                              |
| 52    | Rule 5: Quote victims, witnesses, and suspects | lack of quotes                 | The section is empty and does not contain any information.                                 | Include the direct quotes from the victim, witnesses, and suspects in the incident description.                                |
| 52    | Rule 10: Write in chronological order          | lack of chronological order    | The section does not provide any details about the incident.                               | Provide the police report text from this chunk, e.g. "The suspect said, 'I did not do this.'"                                  |
| 52    | Rule 20: Document spontaneous statements       | lack of spontaneous statements | The section is empty and does not contain any information.                                 | Document the spontaneous statements made by the victim verbatim, including the time, location, and the officer's name.         |

|    |                                                                                          |                                                                                                                                                                                       |
|----|------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 53 | Rule 2: Never state conclusions without the observed facts that support them             | Strangleth stated, "I'm not going to be doing the recording, unless and since I'm not going to be doing the recording, I'm not going to be doing the recording."                      |
| 53 | Rule 4: Quote verbatim what is said and state the context in which the quotation appears | Strangleth stated, "I'm not going to be doing the recording, unless and since I'm not going to be doing the recording, I'm not going to be doing the recording."                      |
| 53 | Rule 5: Attribute every statement to the person who made it                              | The incident occurred as part of a violent encounter, during which Strangleth stated that this incident occurred as part of a violent encounter.                                      |
| 62 | Rule 1: Use active voice                                                                 | Reporting Officer: Officer Davis<br>I, Officer Davis, am the reporting officer.                                                                                                       |
| 62 | Rule 11: Answer the six basic questions                                                  | Reporting Officer: Officer Davis<br>I, Officer Davis, am the reporting officer. I was assigned to this case and                                                                       |
| 63 | 25                                                                                       | incomplete information<br>Badge No.: [To be completed]<br>Complete the badge number                                                                                                   |
| 64 | 10, 11, 21                                                                               | lack of chronological order<br>Date: April 28, 2020<br>Provide a list of the six basic questions, and fail to establish officer's standing includes the chronological order of events |
