

# Police Report Training — Grading Report

Session: st\_20260428\_230147

Crime type: Strangulation

Interviewee: Leila Rashad Jensen (victim)

Dispatch: Possible 10-92, domestic disturbance with reports of a female being choked at 1457 Oakwood Drive, Everett, Washington

| Metric                         | Result |
|--------------------------------|--------|
| Total checklist elements       | 60     |
| Fully asked in interview       | 0      |
| Partially asked in interview   | 2      |
| Fully covered in narrative     | 1      |
| Partially covered in narrative | 7      |
| Contradictions found           | 5      |
| Grammar errors                 | 12     |
| Style violations               | 0      |

## Section 1 — Content coverage

| Element ID       | Element                                                           | Asked in interview | Interview ref | In narrative | Narrative ref | Notes |
|------------------|-------------------------------------------------------------------|--------------------|---------------|--------------|---------------|-------|
| strangulation_01 | Difficulty breathing/unable to breathe                            | Not asked          | —             | Missing      | —             | —     |
| strangulation_02 | Hyperventilation                                                  | Not asked          | —             | Missing      | —             | —     |
| strangulation_03 | Raspy voice, hoarse voice, cough                                  | Not asked          | —             | Missing      | —             | —     |
| strangulation_04 | Trouble swallowing, painful to swallow                            | Not asked          | —             | Missing      | —             | —     |
| strangulation_05 | Neck pain                                                         | Not asked          | —             | Missing      | —             | —     |
| strangulation_06 | Nausea, vomiting                                                  | Not asked          | —             | Missing      | —             | —     |
| strangulation_07 | Involuntary urination or defecation                               | Not asked          | —             | Missing      | —             | —     |
| strangulation_08 | Dizziness, fainting/light-headed                                  | Not asked          | —             | Missing      | —             | —     |
| strangulation_09 | Headaches, head rush, ears ringing                                | Not asked          | —             | Missing      | —             | —     |
| strangulation_10 | Loss of consciousness (how long)                                  | Not asked          | —             | Missing      | —             | —     |
| strangulation_11 | Change in mental status (disorientation, memory loss, spaced out) | Not asked          | —             | Missing      | —             | —     |
| strangulation_12 | Petechiae (pinpoint red spots about size of pinhead)              | Not asked          | —             | Missing      | —             | —     |
| strangulation_13 | Hemorrhaging, bruising                                            | Not asked          | —             | Missing      | —             | —     |
| strangulation_14 | Scratch marks, scrapes, abrasions                                 | Not asked          | —             | Missing      | —             | —     |
| strangulation_15 | Bloody nose, broken nose                                          | Not asked          | —             | Missing      | —             | —     |
| strangulation_16 | Finger nail impressions                                           | Not asked          | —             | Missing      | —             | —     |
| strangulation_17 | Swelling of the neck or face                                      | Not asked          | —             | Missing      | —             | —     |
| strangulation_18 | Pulled/missing hair, bumps on head                                | Not asked          | —             | Missing      | —             | —     |

|                  |                                                                                     |           |                                                                                                                                                                                                                    |         |                                                                                       |         |
