Q: Were all witnesses interviewed and documented

A: Yes, all witnesses were interviewed and documented, including Nalini Jensen's neighbor, who reported hearing loud arguments and screams coming from the residence on multiple occasions.

Q: Was an arrest made

A: Yes, an arrest was made, with Kaito Reyes being taken into custody at 10:10 PM on March 12, 2023, for violating the protection order and committing domestic assault.

Q: Were there children on the scene

A: No, there were no children on the scene, as Nalini Jensen and Kaito Reyes do not have any children together.

Q: Was information about previous incidents documented

A: Yes, information about previous incidents was documented, including a prior incident in January 2022, where Kaito Reyes was arrested for domestic assault.

Q: Were weapons/objects used

A: Yes, a weapon was used, with Kaito Reyes allegedly using a kitchen knife to threaten Nalini Jensen during the incident.

Q: What was the emotional state of the victim

A: The emotional state of the victim, Nalini Jensen, was one of fear, anxiety, and distress, with her reporting that she was afraid for her life and had been living in constant fear of Kaito Reyes's violence.

Q: What was the emotional state of the suspect

A: The emotional state of the suspect, Kaito Reyes, was one of anger and defiance, with him reportedly yelling and becoming aggressive when confronted by Officer Leila Patel.

Q: What evidence was collected

A: Evidence collected includes photos of Nalini Jensen's injuries, a kitchen knife allegedly used to threaten her, and a written statement from Nalini Jensen detailing the incident.

Q: Was a threat/risk assessment tool used with the suspect

A: Yes, a threat/risk assessment tool was used with the suspect, Kaito Reyes, to assess the level of danger he poses to Nalini Jensen and others.

Q: Is evidence of fear articulated in the report

A: Yes, evidence of fear is articulated in the report, with Nalini Jensen stating that she was afraid for her life and had been living in constant fear of Kaito Reyes's violence.

Q: Have all threats been clearly documented

A: Yes, all threats made by Kaito Reyes have been clearly documented, including his alleged threat to kill Nalini Jensen if she left him.

Q: Was the proper protocol followed if the suspect was not on the scene

A: Not applicable, as the suspect, Kaito Reyes, was present on the scene and was arrested.

Q: Is the use of coercion and/or force articulated

A: Yes, the use of coercion and/or force is articulated in the report, with Nalini Jensen stating that Kaito Reyes had been physically and emotionally abusive to her throughout their relationship.

Q: Have all injuries (visible and non-visible) been documented

A: Yes, all injuries, both visible and non-visible, have been documented, including Nalini Jensen's bruises, lacerations, and reported difficulty breathing.

Q: Were injuries existing or new

A: The injuries were a combination of existing and new, with Nalini Jensen reporting that some of her injuries were from previous incidents, while others were sustained during the current incident.

Q: Was there any property damage, theft, or burglary

A: Yes, there was property damage, with Kaito Reyes allegedly breaking a vase and punching a hole in the wall during the incident.

Q: Are stalking behaviors identified

A: Yes, stalking behaviors have been identified, with Nalini Jensen reporting that Kaito Reyes had been monitoring her movements and showing up at her workplace unannounced.

Q: Did the officer inquire about possible strangulation

A: Yes, the officer, Leila Patel, did inquire about possible strangulation, and Nalini Jensen reported that Kaito Reyes had attempted to strangle her on multiple occasions.

Q: Did the victim report being strangled

A: Yes, the victim, Nalini Jensen, did report being strangled, stating that Kaito Reyes had put his hands around her neck and squeezed during the incident.

Q: Did the victim request/need medical attention

A: Yes, the victim, Nalini Jensen, did request and receive medical attention, with Officer Leila Patel calling for an ambulance to transport her to the hospital.

Q: Did the victim report sexual violence

A: No, the victim, Nalini Jensen, did not report sexual violence during the incident.

Q: Were all spontaneous statements captured

A: Yes, all spontaneous statements made by the parties have been captured, including Kaito Reyes's alleged statement that he would 'make sure Nalini pays' for calling the police.

Q: Did the officer ask about firearms

A: Yes, the officer, Leila Patel, did ask about possible firearms, and Nalini Jensen reported that Kaito Reyes had access to a handgun at his friend's residence, 2111 Maple Street, Arlington, Virginia.

Q: Did the suspect use firearms during the incident

A: No, the suspect, Kaito Reyes, did not use firearms during the incident.

Q: Did the suspect make threats to use firearms

A: Yes, the suspect, Kaito Reyes, did make threats to use firearms, allegedly stating that he would 'shoot anyone who gets in his way'.

Q: Does the suspect have access to firearms

A: Yes, the suspect, Kaito Reyes, does have access to firearms, with Nalini Jensen reporting that he has a friend who owns a handgun.

Q: Did the victim express fear about the suspect's access to firearms

A: Yes, the victim, Nalini Jensen, did express fear about the suspect's access to firearms, stating that she was afraid he would use them to harm her or others.

Q: Were firearms/weapons confiscated

A: No, no firearms or weapons were confiscated at the scene, as Kaito Reyes's firearms were located at a different address, 2111 Maple Street, Arlington, Virginia, and a search warrant is pending to confiscate them.

Domestic Violence — Scenario 5 of 5

Interviewee: Leila Ali (victim)

Dispatch: Domestic disturbance reported at 945 Oakbrook Drive, Aurora, Colorado, with a female caller stating her boyfriend is being physically aggressive

Scenario 5 of 5 for Domestic Violence

Q: Is this individual prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence

A: Yes, the suspect, Khalil Patel, is prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence

Q: Is this individual prohibited from possessing firearms due to a qualifying order of protection

A: Yes, the suspect, Khalil Patel, is also prohibited from possessing firearms due to a qualifying order of protection issued by the court in favor of his wife, Leila Ali

Q: Does the report include all needed information

A: Yes, the report includes all needed information, including the relationship between the parties, history of the relationship, visible injuries, complaints of pain, and signs and symptoms of strangulation

Q: Did the officer assist the victim

A: Yes, Officer Rachel Morales assisted the victim, Leila Ali, by providing her with information about obtaining an order of protection, local service providers, and utilizing a threat and risk assessment tool

Q: How was the case received

A: The case was received as a priority response to a 911 call from Leila Ali's neighbor, reporting a domestic disturbance at 945 Oakbrook Drive, Aurora, Colorado

Q: Was information provided about obtaining an order of protection

A: Yes, information about obtaining an order of protection was provided to the victim, Leila Ali, by Officer Rachel Morales

Q: Is the time of the call recorded (including time of incident, time of dispatch, time of arrival)

A: Yes, the time of the call is recorded as 22:45 hours, the time of dispatch is 22:47 hours, and the time of arrival is 22:52 hours on February 10, 2023

Q: Was information provided to the victim about local service providers

A: Yes, information about local service providers, including the Aurora Domestic Violence Shelter and the Colorado Coalition Against Domestic Violence, was provided to the victim, Leila Ali

Q: Are the elements of the crime(s) articulated to meet state and/or federal laws that address domestic violence

A: Yes, the elements of the crime of domestic violence are articulated to meet state and federal laws, including the use of physical force, threats, and intimidation

Q: Was a threat/risk assessment tool used with the victim

A: Yes, a threat/risk assessment tool was used with the victim, Leila Ali, to assess the level of danger and risk of future violence

Q: What were the observations upon approach

A: Upon approach, Officer Rachel Morales observed that the front door was open, and the victim, Leila Ali, was standing in the doorway with visible bruises on her face and neck

Q: Is there a valid protection order in place

A: Yes, there is a valid protection order in place, issued by the court on January 15, 2023, which prohibits Khalil Patel from contacting or coming near Leila Ali

Q: Is the scene concisely described/diagramed

A: Yes, the scene is concisely described and diagramed in the report, including the location of the victim, suspect, and any witnesses

Q: Were photos taken and details recorded

A: Yes, photos were taken of the victim's injuries and the scene, and details were recorded in the report, including the location of any weapons or objects used

Q: Is the relationship of the parties identified

A: The relationship of the parties is identified as husband and wife, with Khalil Patel as the suspect and Leila Ali as the victim

Q: What is the history of the relationship (include frequency of any violence, intimidation, and threats)

A: The history of the relationship includes a pattern of physical and emotional abuse, with frequent incidents of intimidation and threats, including a previous incident on December 20, 2022, where Khalil Patel was arrested for domestic violence

Q: Were all witnesses interviewed and documented

A: Yes, all witnesses, including the neighbor who called 911, were interviewed and documented in the report

Q: Was an arrest made

A: Yes, an arrest was made, with Khalil Patel being taken into custody for violating the protection order and committing domestic violence

Q: Were there children on the scene

A: Yes, there were two children on the scene, ages 7 and 9, who were removed from the home and placed in the care of a family member

Q: Was information about previous incidents documented

A: Yes, information about previous incidents was documented, including the previous arrest on December 20, 2022, and a report of a domestic disturbance on November 15, 2022

Q: Were weapons/objects used

A: Yes, a weapon was used, with Khalil Patel using a kitchen knife to threaten Leila Ali

Q: What was the emotional state of the victim

A: The emotional state of the victim, Leila Ali, was one of fear, anxiety, and distress, with visible signs of trauma and shock

Q: What was the emotional state of the suspect

A: The emotional state of the suspect, Khalil Patel, was one of anger, agitation, and defiance, with visible signs of hostility and aggression

Q: What evidence was collected

A: Evidence collected includes photos of Leila Ali's injuries, a kitchen knife used as a weapon, and witness statements from the neighbor and the two children

Q: Was a threat/risk assessment tool used with the suspect

A: Yes, a threat/risk assessment tool was used with the suspect, Khalil Patel, to assess the level of danger and risk of future violence

Q: Is evidence of fear articulated in the report

A: Yes, evidence of fear is articulated in the report, including Leila Ali's statement that she was afraid for her life and the lives of her children

Q: Have all threats been clearly documented

A: Yes, all threats have been clearly documented, including Khalil Patel's threat to kill Leila Ali if she ever left him

Q: Was the proper protocol followed if the suspect was not on the scene

A: Yes, the proper protocol was followed, as the suspect was present on the scene and was arrested

Q: Is the use of coercion and/or force articulated

A: Yes, the use of coercion and/or force is articulated in the report, including Khalil Patel's use of physical force and intimidation to control Leila Ali

Q: Have all injuries (visible and non-visible) been documented

A: Yes, all injuries, both visible and non-visible, have been documented, including Leila Ali's bruises, cuts, and complaints of pain

Q: Were injuries existing or new

A: The injuries were a combination of existing and new, as Leila Ali had previous injuries from past incidents, but also suffered new injuries during the current incident

Q: Was there any property damage, theft, or burglary

A: Yes, there was property damage, as the kitchen was in disarray and a chair was broken during the incident

Q: Are stalking behaviors identified

A: Yes, stalking behaviors are identified, as Khalil Patel had been monitoring Leila Ali's movements and activities, and had shown up at her workplace on multiple occasions

Q: Did the officer inquire about possible strangulation

A: Yes, the officer, Rachel Morales, did inquire about possible strangulation, and Leila Ali reported that Khalil Patel had choked her during the incident

Q: Did the victim report being strangled

A: Yes, the victim, Leila Ali, did report being strangled, and had visible signs of strangulation, including bruising and redness on her neck

Q: Did the victim request/need medical attention

A: Yes, the victim, Leila Ali, did request and need medical attention, and was transported to the hospital by ambulance

Q: Did the victim report sexual violence

A: Yes, the victim, Leila Ali, did report sexual violence, as Khalil Patel had forced her to have sex with him during the incident

Q: Were all spontaneous statements captured

A: Yes, all spontaneous statements were captured, including Leila Ali's statement that Khalil Patel had threatened to kill her and the children

Q: Did the officer ask about firearms

A: Yes, the officer, Rachel Morales, did ask about firearms, and Leila Ali reported that Khalil Patel had access to a handgun at his friend's house, located at 2345 Maple Street, Apartment 1A, in the city of Aurora, Colorado

Q: Did the suspect use firearms during the incident

A: No, the suspect, Khalil Patel, did not use firearms during the incident, but had used a kitchen knife as a weapon

Q: Did the suspect make threats to use firearms

A: Yes, the suspect, Khalil Patel, did make threats to use firearms, as he had told Leila Ali that he would shoot her and the children if she ever left him

Q: Does the suspect have access to firearms

A: Yes, the suspect, Khalil Patel, does have access to firearms, as he has a friend who owns a handgun, which is stored at the friend's residence, located at 2345 Maple Street, Apartment 1A, in the city of Aurora, Colorado

Q: Did the victim express fear about the suspect's access to firearms

A: Yes, the victim, Leila Ali, did express fear about the suspect's access to firearms, and was concerned for her safety and the safety of her children

Q: Were firearms/weapons confiscated

A: The kitchen knife used as a weapon was taken into evidence, and a search warrant will be sought to confiscate the handgun located at Khalil Patel's friend's residence, as it is not located at the scene of the incident

Stalking — Scenario 1 of 5

Interviewee: Akira Nakamura (victim)

Dispatch: Possible stalking in progress, 1457 Oakbrook Drive, Aurora, Colorado, caller reports suspicious person lurking around residence

Scenario 1 of 5 for Stalking

Q: Time of the call recorded (including time of incident, time of dispatch, time of arrival)

A: The call was recorded at 22:45 hours, with the incident reported to have occurred at 22:30 hours, dispatch time at 22:40 hours, and officer arrival at 22:50 hours.

Q: Relationship of the parties identified

A: The parties are identified as boyfriend and girlfriend, with the victim being Akira Nakamura and the suspect being Khalil Patel.

Q: History of the relationship (include frequency of any violence, intimidation, and threats)

A: The relationship has a history of frequent verbal altercations, with the suspect having made threats against the victim on at least three previous occasions, and the victim reporting feelings of intimidation and fear.

Q: Stalking behaviors articulated (e.g. following, repeated calling, sending unwanted gifts)

A: The stalking behaviors articulated by the victim include repeated unwanted phone calls, showing up at her workplace, and sending unwanted gifts to her home, including a bouquet of flowers with a threatening note.

Q: Valid protection order in place and verified

A: A valid protection order is in place, verified through the state's database, with case number PO-2023-001, issued on February 10, 2023.

Q: All witnesses interviewed and documented

A: All witnesses, including the victim's roommate, Leila Ali, and a neighbor, Julian Sanchez, were interviewed and their statements documented.

Q: Information about previous incidents documented

A: Previous incidents documented include a report of vandalism on January 20, 2023, and a report of harassment on January 25, 2023.

Q: Evidence collected

A: Evidence collected includes a torn piece of fabric caught in the victim's window, a threatening note, and a bouquet of flowers.

Q: Electronic/technological evidence collected

A: Electronic evidence collected includes phone records showing repeated calls from the suspect's number, and a recording of a threatening voicemail.

Q: All incidents of stalking behavior on cell phones, computers, and recording devices captured

A: All incidents of stalking behavior on the victim's cell phone, including text messages and phone calls, were captured and documented.

Q: Scene(s) concisely described/diagramed

A: The scene is described as the victim's residence, 1457 Oakbrook Drive, Aurora, Colorado.

Q: Weapons/objects used

A: No weapons or objects used in the commission of the crime were found at the scene.

Q: Emotional state of the victim (what they were thinking and feeling)

A: The victim reported feeling scared, anxious, and trapped, and stated that she was thinking about how to escape the situation and protect herself.

Q: Evidence of fear articulated in the report

A: The victim articulated her fear, stating that she was afraid of the suspect and believed he would harm her if given the opportunity.

Q: All threats clearly documented

A: The suspect's threats, including a statement that he would 'make her pay' if she didn't take him back, were clearly documented.

Q: Use of coercion and/or force articulated

A: The use of coercion and force was articulated, with the victim reporting that the suspect had previously grabbed her and pushed her against a wall.

Q: All injuries (visible and non-visible) properly documented

A: The victim reported no visible injuries, but complained of headaches and difficulty sleeping due to stress and anxiety.

Q: Property damage, theft, or burglary documented

A: No property damage, theft, or burglary was reported or observed.

Q: Photos taken and details recorded

A: Photos were taken of the torn fabric, the threatening note, and the bouquet of flowers, and details were recorded in the report.

Q: Victim's report of being strangled (choked) described in detail

A: The victim reported that the suspect had previously choked her, but not on this occasion.

Q: Victim's need for medical attention documented

A: The victim's need for medical attention was documented, and she was advised to seek medical attention if her symptoms worsened.

Q: All spontaneous statements captured

A: The victim's spontaneous statement, 'I'm afraid he's going to hurt me,' was captured and documented.

Q: Elements of the stalking crime thoroughly articulated

A: The elements of the stalking crime, including the repeated unwanted contact and the threats, were thoroughly articulated in the report.

Q: Victim's safety planning documented

A: The victim's safety planning was documented, including her plan to stay with a friend and to vary her daily routine.

Q: Information about obtaining an order of protection provided to the victim

A: Information about obtaining an order of protection was provided to the victim, including the phone number for the local courthouse and the website for the state's domestic violence coalition.

Q: Information about local service providers supplied to the victim

A: Information about local service providers, including the Aurora Domestic Violence Shelter and the Colorado Coalition Against Domestic Violence, was supplied to the victim.

Q: Threat/risk assessment tool utilized with the victim

A: A threat and risk assessment tool was utilized with the victim, and her risk level was assessed as high.

Q: Use of a stalking kit and/or stalking log discussed with the victim

A: The use of a stalking log was discussed with the victim, and she was provided with a stalking log form to document any future incidents.

Q: Suspect's access to weapons documented

A: The suspect's access to weapons was documented, and it was noted that he has a firearms license and owns a handgun, but is prohibited from possessing firearms due to the valid protection order and his conviction for a misdemeanor crime of domestic violence.

Q: Emotional state of the suspect (what they were thinking and feeling)

A: The suspect's emotional state was not directly observed, but the victim reported that he has a history of anger issues and has previously become violent when angry.

Q: Suspect's history of protection orders

A: The suspect has a history of protection orders, with a previous order of protection issued against him in 2020.

Q: Suspect's prohibition from possessing firearms due to a conviction for a misdemeanor crime of domestic violence or a qualifying order of protection

A: The suspect is prohibited from possessing firearms due to the valid protection order and his conviction for a misdemeanor crime of domestic violence in 2018.

Q: Active warrants out for the suspect documented

A: There are no active warrants out for the suspect at this time.

Stalking — Scenario 2 of 5

Interviewee: Akira Nakamura (victim)

Dispatch: Possible stalking in progress, 945 Oakbrook Drive, Aurora, Colorado, reporting party states suspicious person lurking around residence

Scenario 2 of 5 for Stalking

Q: Time of the call recorded (including time of incident, time of dispatch, time of arrival)

A: The call was recorded at 9:45 PM, with the incident reported to have occurred at 9:20 PM, dispatch at 9:30 PM, and officer arrival at 9:40 PM

Q: Relationship of the parties identified

A: The parties are in a dating relationship, with the victim, Akira Nakamura, and the suspect, Kofi Owusu, having been together for approximately 2 years

Q: History of the relationship (include frequency of any violence, intimidation, and threats)

A: The relationship has a history of intermittent violence, with 3 reported incidents in the past 6 months, including pushing, shoving, and verbal intimidation

Q: Stalking behaviors articulated (e.g. following, repeated calling, sending unwanted gifts)

A: The victim reported stalking behaviors including repeated phone calls, showing up at her workplace, and sending unwanted gifts to her residence at 945 Oakbrook Drive, Aurora, CO

Q: Valid protection order in place and verified

A: A valid protection order is in place, issued by the Arapahoe County Court on February 10, 2023, and verified by the responding officer

Q: All witnesses interviewed and documented

A: All witnesses, including the victim's roommate, Leila Patel, and a neighbor, Julian Sanchez, were interviewed and their statements documented

Q: Information about previous incidents documented

A: Previous incidents, including a reported assault on January 15, 2023, and a vandalism incident on March 1, 2023, were documented and included in the report

Q: Evidence collected

A: Evidence collected includes a torn piece of clothing, a broken vase, and a written threat found on the kitchen counter

Q: Electronic/technological evidence collected

A: Electronic evidence collected includes phone records, text messages, and emails sent by the suspect to the victim

Q: All incidents of stalking behavior on cell phones, computers, and recording devices captured

A: All incidents of stalking behavior on the victim's cell phone, including repeated calls and messages, were captured and documented

Q: Scene(s) concisely described/diagrammed

A: The scene, a 2-bedroom apartment at 945 Oakbrook Drive, Aurora, CO, was concisely described and diagrammed, including the location of the evidence and the points of entry and exit

Q: Weapons/objects used

A: Weapons/objects used include a broken vase and a kitchen knife found on the scene

Q: Emotional state of the victim (what they were thinking and feeling)

A: The victim reported feeling fearful, anxious, and trapped, and stated that she was thinking about how to escape the situation and protect herself

Q: Evidence of fear articulated in the report

A: Evidence of fear articulated in the report includes the victim's shaken demeanor, tearfulness, and repeated expressions of fear for her safety

Q: All threats clearly documented

A: All threats, including a written threat to 'make her pay' and a verbal threat to 'hurt her if she left him', were clearly documented

Q: Use of coercion and/or force articulated

A: The use of coercion and/or force was articulated, including the suspect's history of physical violence and intimidation

Q: All injuries (visible and non-visible) properly documented

A: All injuries, including a visible bruise on the victim's left arm and a non-visible injury to her emotional well-being, were properly documented

Q: Property damage, theft, or burglary documented

A: Property damage, including a broken vase and a damaged door, was documented, as well as a reported theft of the victim's jewelry

Q: Photos taken and details recorded

A: Photos were taken of the scene, including the broken vase, the damaged door, and the written threat, and details were recorded

Q: Victim's report of being strangled (choked) described in detail

A: The victim reported being strangled (choked) by the suspect during a previous incident, and provided a detailed description of the event

Q: Victim's need for medical attention documented

A: The victim's need for medical attention was documented, including a request for a medical evaluation and treatment for her injuries

Q: All spontaneous statements captured

A: All spontaneous statements, including the victim's statement that 'he's going to kill me', were captured and documented

Q: Elements of the stalking crime thoroughly articulated

A: The elements of the stalking crime, including the suspect's repeated behavior and the victim's fear, were thoroughly articulated

Q: Victim's safety planning documented

A: The victim's safety planning was documented, including a plan to stay with a friend, 2345 Maple Street, Chicago, IL, and to change her phone number

Q: Information about obtaining an order of protection provided to the victim

A: Information about obtaining an order of protection was provided to the victim, including the process and requirements

Q: Information about local service providers supplied to the victim

A: Information about local service providers, including the National Domestic Violence Hotline and the Aurora Victim Assistance Program, was supplied to the victim

Q: Threat/risk assessment tool utilized with the victim

A: A threat/risk assessment tool was utilized with the victim, including the Danger Assessment Tool

Q: Use of a stalking kit and/or stalking log discussed with the victim

A: The use of a stalking kit and/or stalking log was discussed with the victim, and she was provided with a stalking log to document future incidents

Q: Suspect's access to weapons documented

A: The suspect's access to weapons, including a reported firearm at an unknown location, was documented, and a note was made to seek a search warrant to confiscate the firearm

Q: Emotional state of the suspect (what they were thinking and feeling)

A: The suspect's emotional state, including his reported anger and jealousy, was documented, as well as his statement that 'he couldn't live without her'

Q: Suspect's history of protection orders

A: The suspect's history of protection orders, including a previous order issued in 2018, was documented

Q: Suspect's prohibition from possessing firearms due to a conviction for a misdemeanor crime of domestic violence or a qualifying order of protection

A: The suspect's prohibition from possessing firearms due to a conviction for a misdemeanor crime of domestic violence in 2015 and the valid protection order was documented

Q: Active warrants out for the suspect documented

A: An active warrant out for the suspect, issued on March 15, 2023, for a previous incident of stalking, was documented

Stalking — Scenario 3 of 5

Interviewee: Leila Patel (victim)

Dispatch: Possible stalking in progress, 1457 Oakbrook Drive, Aurora, Colorado, caller reports suspicious person lurking around residence

Scenario 3 of 5 for Stalking

Q: Time of the call recorded (including time of incident, time of dispatch, time of arrival)

A: Time of incident: 02:45 AM, Time of dispatch: 02:50 AM, Time of arrival: 03:05 AM

Q: Relationship of the parties identified

A: The parties are in a dating relationship, with the victim, Leila Patel, and the suspect, Ryder Morales, having been together for approximately 2 years

Q: History of the relationship (include frequency of any violence, intimidation, and threats)

A: There have been 5 incidents of violence, 10 incidents of intimidation, and 15 incidents of threats over the past year, with the frequency increasing over the past 6 months

Q: Stalking behaviors articulated (e.g. following, repeated calling, sending unwanted gifts)

A: The victim reported that the suspect has been following her, making repeated unwanted phone calls, and sending her unwanted gifts, including flowers and jewelry

Q: Valid protection order in place and verified

A: Yes, a valid protection order is in place, verified through the court database, with case number PO-2023-001

Q: All witnesses interviewed and documented

A: All witnesses, including the victim's roommate, Sofia Rodriguez, and the suspect's friend, Julian Lee, were interviewed and their statements documented

Q: Information about previous incidents documented

A: Previous incidents, including a physical altercation on January 10, 2023, and a incident of vandalism on February 20, 2023, were documented

Q: Evidence collected

A: Evidence collected includes a torn piece of clothing, a broken phone, and a security camera footage

Q: Electronic/technological evidence collected

A: Electronic evidence collected includes phone records, text messages, and emails, which were seized from the suspect's phone and computer

Q: All incidents of stalking behavior on cell phones, computers, and recording devices captured

A: All incidents of stalking behavior on the victim's cell phone, computer, and recording devices were captured, including a threatening voicemail and a series of harassing texts

Q: Scene(s) concisely described/diagramed

A: The scene, located at 1457 Oakbrook Drive, in the city of Aurora, CO, was concisely described and diagramed, with notes on the layout of the apartment and the location of the evidence

Q: Weapons/objects used

A: Weapons/objects used include a kitchen knife and a baseball bat, which were found at the scene

Q: Emotional state of the victim (what they were thinking and feeling)

A: The victim reported feeling scared, anxious, and helpless, and was thinking 'I need to get away from him'

Q: Evidence of fear articulated in the report

A: Evidence of fear articulated in the report includes the victim's statement 'I was afraid he was going to hurt me'

Q: All threats clearly documented

A: All threats, including 'I'll kill you if you leave me' and 'You'll never be able to escape me', were clearly documented

Q: Use of coercion and/or force articulated

A: The use of coercion and/or force was articulated, including the suspect's use of physical force to restrain the victim

Q: All injuries (visible and non-visible) properly documented

A: All injuries, including a visible bruise on the victim's left arm and non-visible symptoms of anxiety and depression, were properly documented

Q: Property damage, theft, or burglary documented

A: Property damage, including a broken window and a damaged door, was documented

Q: Photos taken and details recorded

A: Photos were taken of the scene, including the broken window and the damaged door, and details were recorded

Q: Victim's report of being strangled (choked) described in detail

A: The victim reported being strangled (choked) by the suspect, with details of the incident, including the date, time, and location, described in the report

Q: Victim's need for medical attention documented

A: The victim's need for medical attention was documented, including a recommendation for a follow-up appointment with a doctor

Q: All spontaneous statements captured

A: All spontaneous statements, including the suspect's statement 'I didn't mean to hurt her', were captured

Q: Elements of the stalking crime thoroughly articulated

A: The elements of the stalking crime were thoroughly articulated, including the suspect's pattern of behavior and the victim's fear of harm

Q: Victim's safety planning documented

A: The victim's safety planning was documented, including a plan to stay with a friend, Maya Singh, at 2345 Maple Street, in the city of Berkeley, CA

Q: Information about obtaining an order of protection provided to the victim

A: Information about obtaining an order of protection was provided to the victim, including the phone number of the local court, 510-555-1234

Q: Information about local service providers supplied to the victim

A: Information about local service providers, including the National Domestic Violence Hotline, 1-800-799-7233, and the local women's shelter, was supplied to the victim

Q: Threat/risk assessment tool utilized with the victim

A: A threat/risk assessment tool was utilized with the victim, including the Danger Assessment tool

Q: Use of a stalking kit and/or stalking log discussed with the victim

A: The use of a stalking kit and/or stalking log was discussed with the victim, including a plan to keep a record of all incidents

Q: Suspect's access to weapons documented

A: The suspect's access to weapons, including a handgun and a rifle, was documented, and it was noted that the suspect is prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence and a qualifying order of protection

Q: Emotional state of the suspect (what they were thinking and feeling)

A: The suspect's emotional state, including his reported feelings of anger and jealousy, was documented

Q: Suspect's history of protection orders

A: The suspect's history of protection orders, including a previous order in 2018, was documented

Q: Suspect's prohibition from possessing firearms due to a conviction for a misdemeanor crime of domestic violence or a qualifying order of protection

A: The suspect is prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence in 2015 and a qualifying order of protection

Q: Active warrants out for the suspect documented

A: There is an active warrant out for the suspect, including a warrant for his arrest on charges of stalking and domestic violence, with case number SW-2023-001

Stalking — Scenario 4 of 5

Interviewee: Leila Patel (victim)

Dispatch: Possible stalking in progress, 1457 Oakwood Drive, Aurora, Colorado, reporting party states her ex-boyfriend, Akil Patel, is circling the block

Scenario 4 of 5 for Stalking

Q: Time of the call recorded (including time of incident, time of dispatch, time of arrival)

A: The incident occurred at 9:45 PM, dispatch time was 10:00 PM, and officers arrived at 10:10 PM

Q: Relationship of the parties identified

A: The victim, Leila Patel, and the suspect, Akil Patel, are former romantic partners

Q: History of the relationship (include frequency of any violence, intimidation, and threats)

A: The relationship was marked by frequent intimidation, threats, and physical violence, with at least 5 incidents in the past year

A: The victim's fear was articulated in the report, including her statement 'I thought he was going to kill me'

Q: All threats clearly documented

A: All threats made by the suspect, including 'You'll never be able to escape me', were clearly documented

Q: Use of coercion and/or force articulated

A: The use of coercion and force by the suspect was articulated, including his attempts to restrain the victim

Q: All injuries (visible and non-visible) properly documented

A: All injuries, including visible bruises on the victim's arms and non-visible injuries such as a headache, were properly documented

Q: Property damage, theft, or burglary documented

A: Property damage, including a broken window and a damaged door, was documented

Q: Photos taken and details recorded

A: Photos were taken of the scene, including the damaged property and the victim's injuries, and details were recorded

Q: Victim's report of being strangled (choked) described in detail

A: The victim reported being strangled by the suspect, with difficulty breathing and a raspy voice

Q: Victim's need for medical attention documented

A: The victim's need for medical attention was documented, and she was transported to the hospital for further evaluation

Q: All spontaneous statements captured

A: All spontaneous statements, including the suspect's statement 'I didn't do anything', were captured

Q: Elements of the stalking crime thoroughly articulated

A: The elements of the stalking crime, including the suspect's intent to harass and intimidate, were thoroughly articulated

Q: Victim's safety planning documented

A: The victim's safety planning, including her decision to stay with a friend and change her phone number, was documented

Q: Information about obtaining an order of protection provided to the victim

A: Information about obtaining an order of protection was provided to the victim, including the process and requirements

Q: Information about local service providers supplied to the victim

A: Information about local service providers, including the National Domestic Violence Hotline and the local women's shelter, was supplied to the victim

Q: Threat/risk assessment tool utilized with the victim

A: A threat/risk assessment tool was utilized with the victim to assess her risk of further harm

Q: Use of a stalking kit and/or stalking log discussed with the victim

A: The use of a stalking kit and/or stalking log was discussed with the victim, and she was encouraged to keep a record of all incidents

Q: Suspect's access to weapons documented

A: The suspect's access to weapons, including a firearm registered in his name, was documented

Q: Emotional state of the suspect (what they were thinking and feeling)

A: The suspect's emotional state, including his anger and frustration, was documented

Q: Suspect's history of protection orders

A: The suspect has a history of protection orders, including one issued in 2018

Q: Suspect's prohibition from possessing firearms due to a conviction for a misdemeanor crime of domestic violence or a qualifying order of protection

A: The suspect is prohibited from possessing firearms due to the valid protection order in place and a conviction for a misdemeanor crime of domestic violence in 2015

Q: Active warrants out for the suspect documented

A: An active warrant was found for the suspect, issued in 2020 for a charge of stalking

Stalking — Scenario 5 of 5

Interviewee: Leila Ragnarsson (victim)

Dispatch: Report of stalking in progress at 945 Oakbrook Drive, Aurora, Colorado, involving a female victim and a male suspect

Scenario 5 of 5 for Stalking

Q: Time of the call recorded (including time of incident, time of dispatch, time of arrival)

A: Time of incident: 02:45 AM, Time of dispatch: 02:50 AM, Time of arrival: 03:05 AM

Q: Relationship of the parties identified

A: The victim, Leila Ragnarsson, and the suspect, Kaito Nakamura, are ex-partners in a romantic relationship that ended 6 months ago

Q: History of the relationship (include frequency of any violence, intimidation, and threats)

A: The relationship was marked by frequent arguments, with 3 incidents of physical violence and multiple threats made by the suspect against the victim in the past year

Q: Stalking behaviors articulated (e.g. following, repeated calling, sending unwanted gifts)

A: The victim reported that the suspect has been following her to work, sending her repeated unwanted text messages and emails, and showing up at her residence uninvited

Q: Valid protection order in place and verified

A: A valid protection order is in place, issued by the Circuit Court of Cook County, Illinois, on February 10, 2023, and verified by the responding officers

Q: All witnesses interviewed and documented

A: All witnesses, including the victim's roommate, Rohan Jensen, and a neighbor, Maria Rodriguez, were interviewed and their statements documented

Q: Information about previous incidents documented

A: Previous incidents of stalking behavior, including a broken window at the victim's residence and a damaged tire on her vehicle, were documented

Q: Evidence collected

A: Evidence collected includes a torn piece of fabric caught in the window lock, a rock with a threatening message, and a security camera footage of the suspect's vehicle

Q: Electronic/technological evidence collected

A: Electronic evidence collected includes the victim's phone records, emails, and text messages, as well as the suspect's social media posts

Q: All incidents of stalking behavior on cell phones, computers, and recording devices captured

A: All incidents of stalking behavior on the victim's cell phone, including 20 unanswered calls and 15 text messages, were captured and documented

Q: Scene(s) concisely described/diagramed

A: The scene was described as a single-family residence at 945 Oakbrook Drive, Aurora, CO, with a broken window on the north side and a suspicious vehicle parked across the street

Q: Weapons/objects used

A: No weapons or objects were used in the incident, but the suspect had previously threatened the victim with a kitchen knife

Q: Emotional state of the victim (what they were thinking and feeling)

A: The victim reported feeling 'terrified' and 'helpless' during the incident, and was 'constantly looking over her shoulder'

Q: Evidence of fear articulated in the report

A: The victim articulated her fear of the suspect, stating that she was 'afraid he would hurt her' and 'didn't know what he was capable of'

Q: All threats clearly documented

A: The suspect made multiple threats against the victim, including 'I'll make you pay' and 'You'll never be able to escape me'

Q: Use of coercion and/or force articulated

A: The suspect used coercion and force to control the victim, including isolating her from friends and family and restricting her access to finances

Q: All injuries (visible and non-visible) properly documented

A: The victim reported visible injuries, including a bruise on her left cheek and a cut on her right hand, as well as non-visible injuries, including headaches and anxiety

Q: Property damage, theft, or burglary documented

A: The victim reported that the suspect had damaged her property, including a broken window and a damaged tire, and had stolen her favorite necklace

Q: Photos taken and details recorded

A: Photos were taken of the broken window, the rock with the threatening message, and the victim's injuries, and details were recorded

Q: Victim's report of being strangled (choked) described in detail

A: The victim reported that the suspect had strangled her on two previous occasions, and that she had difficulty breathing and swallowing after the incidents

Q: Victim's need for medical attention documented

A: The victim's need for medical attention was documented, and she was transported to the hospital for treatment

Q: All spontaneous statements captured

A: The victim made a spontaneous statement, saying 'I'm so scared, I just want him to leave me alone'

Q: Elements of the stalking crime thoroughly articulated

A: The elements of the stalking crime were thoroughly articulated, including the suspect's pattern of behavior and the victim's fear and intimidation

Q: Victim's safety planning documented

A: The victim's safety planning was documented, including her plan to stay with a friend and to vary her daily routine

Q: Information about obtaining an order of protection provided to the victim

A: Information about obtaining an order of protection was provided to the victim, including the process and the benefits

Q: Information about local service providers supplied to the victim

A: Information about local service providers, including the National Domestic Violence Hotline and the Aurora Police Department's Victim Services Unit, was supplied to the victim

Q: Threat/risk assessment tool utilized with the victim

A: A threat/risk assessment tool was utilized with the victim, and her risk level was determined to be 'high'

Q: Use of a stalking kit and/or stalking log discussed with the victim

A: The use of a stalking kit and/or stalking log was discussed with the victim, and she was encouraged to keep a record of all incidents

Q: Suspect's access to weapons documented

A: The suspect's access to weapons was documented, including a handgun registered in his name and a history of threatening the victim with a knife. The suspect is prohibited from possessing firearms due to the valid protection order in place and his conviction for a misdemeanor crime of domestic violence in 2015

Q: Emotional state of the suspect (what they were thinking and feeling)

A: The suspect's emotional state was not immediately apparent, but he had a history of anger issues and had previously been diagnosed with depression

Q: Suspect's history of protection orders

A: The suspect had a history of protection orders, including one issued by the Circuit Court of Cook County in 2018

Q: Suspect's prohibition from possessing firearms due to a conviction for a misdemeanor crime of domestic violence or a qualifying order of protection

A: The suspect was prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence in 2015 and the valid protection order in place

Q: Active warrants out for the suspect documented

A: A warrant was issued for the suspect's arrest after the incident

Sexual Assault — Scenario 1 of 5

Interviewee: Leila Nguyen (victim)

Dispatch: Report of a sexual assault at 1457 Oakbrook Drive, Raleigh, North Carolina, victim requesting immediate assistance

Scenario 1 of 5 for Sexual Assault

Q: Did the officer ask about firearms

A: Yes, Officer Rodriguez asked the victim, Leila Nguyen, about firearms during the initial interview at 1457 Oakbrook Drive, Raleigh, North Carolina

Q: Did the suspect use firearms during the incident that occurred

A: No, the suspect, Kaito Nakamura, did not use firearms during the incident that occurred on February 10, 2023

Q: Did the suspect use firearms in previous incidents

A: Yes, the suspect used firearms in previous incidents, as reported by the victim on January 15, 2023, and February 2, 2023

Q: Did the suspect make threats— real or implied— to use firearms during the incident that occurred

A: Yes, the suspect made threats to use firearms during the incident that occurred, stating 'I will shoot you if you leave me'

Q: Did the suspect make threats— real or implied— to use firearms in previous incidents

A: Yes, the suspect made threats to use firearms in previous incidents, as documented in the police reports from January 15, 2023, and February 2, 2023

Q: Does the suspect have access to firearms

A: Yes, the suspect has access to firearms, as confirmed by the victim and witnessed by Officer Rodriguez at the scene

Q: Details of the firearms, including location

A: The suspect has a 9mm handgun located at 2345 Maple Street, Apartment 3B, Chicago, IL 60614, and a shotgun at 1457 Oakbrook Drive, Raleigh, North Carolina

Q: Did the victim express fear about the suspect's access to firearms

A: Yes, the victim expressed fear about the suspect's access to firearms, stating 'I'm afraid he will hurt me with the gun'

Q: How the victim's fear about the suspect's access to firearms was captured in the report

A: The victim's fear about the suspect's access to firearms was captured in the report as 'Victim stated that she is in fear for her life due to the suspect's access to firearms and history of violent behavior'

Q: Is this individual prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence

A: Yes, the suspect is prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence on June 10, 2020

Q: Is this individual prohibited from possessing firearms due to a qualifying order of protection

A: Yes, the suspect is prohibited from possessing firearms due to a qualifying order of protection issued on January 20, 2023

Q: Is this individual prohibited from possessing firearms due to a dishonorable discharge from the military

A: No, the suspect is not prohibited from possessing firearms due to a dishonorable discharge from the military

Q: Time of the call, including time of incident, time of dispatch, and time of arrival

A: The call was received at 02:45 AM, dispatched at 02:50 AM, and officers arrived at 03:05 AM on February 10, 2023

Q: Elements of the crime(s) articulated to meet state and/or federal laws

A: The elements of the crime(s) articulated to meet state and/or federal laws include assault, battery, and stalking, as defined in NCGS 14-32, NCGS 14-33, and NCGS 14-16.2

Q: Observations upon approach

A: Upon approach, Officer Rodriguez observed a broken window, damaged furniture, and the victim with visible injuries, including a swollen eye and bruised cheek

Q: Scene(s) concisely described/diagramed

A: The scene was a two-story single-family residence at 1457 Oakbrook Drive, Raleigh, North Carolina, with a living room, kitchen, and two bedrooms

Q: Photos taken and details recorded

A: Photos were taken of the victim's injuries, the broken window, and the damaged furniture, and details were recorded in the police report

Q: Relationship of the parties identified

A: The relationship of the parties identified was that of intimate partners, with the victim and suspect having been in a romantic relationship for three years

Q: History of the relationship, including frequency of any violence, intimidation, and threats

A: The history of the relationship included frequent arguments, with the suspect having a history of violent behavior, including an incident on January 15, 2023, and February 2, 2023

Q: All witnesses interviewed and documented

A: All witnesses interviewed and documented included the victim, the suspect's neighbor, Mrs. Sofia Rodriguez, and the victim's friend, Mr. Liam Chen

Q: Outcry witness interviewed

A: The outcry witness, Ms. Ava Lee, was interviewed and documented, stating that the victim had confided in her about the suspect's abusive behavior on February 5, 2023

Q: Comprehensive information about the suspect gathered

A: Comprehensive information about the suspect gathered included his address, employment, and criminal history, which was obtained from the police database and verified through NCIC

Q: Weapons/objects used

A: The suspect used his fists and a baseball bat as weapons during the incident

Q: Emotional state of the victim

A: The emotional state of the victim was one of fear, anxiety, and distress, as observed by Officer Rodriguez and documented in the report

Q: Emotional state of the suspect

A: The emotional state of the suspect was one of anger and agitation, as observed by Officer Rodriguez and documented in the report

Q: Arrest made

A: Yes, an arrest was made, with the suspect being taken into custody and charged with assault, battery, and stalking

Q: Evidence collected

A: Evidence collected included photos of the victim's injuries, the broken window, and the damaged furniture, as well as the suspect's statement and the witness statements

Q: All injuries (visible and non-visible) documented

A: All injuries, including visible and non-visible, were documented, including the victim's swollen eye, bruised cheek, and internal injuries, which were treated at WakeMed Hospital

Q: Injuries existing or new

A: The injuries were new, having occurred during the incident on February 10, 2023, and were not pre-existing

Q: Trauma documented in the report

A: The report documented the victim's trauma, including emotional distress, anxiety, and fear for her life, as a result of the suspect's actions

Q: All threats clearly documented

A: All threats made by the suspect were clearly documented in the report, including the statement 'I will shoot you if you leave me'

Q: Victim's fear effectively documented

A: The victim's fear was effectively documented in the report, with Officer Rodriguez noting that the victim was visibly shaken and expressed fear for her life

Q: Use of coercion and/or force articulated

A: The use of coercion and force was articulated in the report, with the suspect using his fists and a baseball bat to intimidate and harm the victim

Q: Property damage, theft, or burglary

A: Property damage was documented, including a broken window and damaged furniture, with an estimated value of \$1,000

Q: Suspect exam conducted

A: A suspect exam was conducted at the Raleigh Police Department's headquarters, with the suspect's injuries and physical condition documented

Q: Stalking behaviors identified in the report

A: Stalking behaviors were identified in the report, including the suspect's history of following the victim and showing up at her workplace, as documented in the police reports from January 15, 2023, and February 2, 2023

Q: Suspect's pre-incident behaviors documented

A: The suspect's pre-incident behaviors were documented, including a history of violent outbursts and threats, as reported by the victim and witnessed by Officer Rodriguez

Q: Victim reported being strangled (choked)

A: The victim reported being strangled by the suspect, with the incident occurring on February 10, 2023

Q: Details of strangulation (hands, ligature, etc.)

A: The details of the strangulation included the suspect using his hands to choke the victim, with visible marks and bruising on the victim's neck

Q: Victim asked about possible strangulation

A: The victim was asked about possible strangulation during the initial interview, with Officer Rodriguez inquiring about any difficulty breathing or neck pain

Q: Proper protocol followed if the suspect was not on the scene

A: Proper protocol was followed when the suspect was not on the scene, with Officer Rodriguez obtaining a warrant for the suspect's arrest and working with other officers to locate and apprehend him

Q: Active warrants out for the suspect

A: There was an active warrant out for the suspect, issued on January 20, 2023, for violating the terms of the protection order

Q: Suspect's history of protection orders

A: The suspect had a history of protection orders, with two previous orders issued against him in 2018 and 2020

Q: Valid protection order in place and verified

A: A valid protection order was in place and verified, with the order issued on January 20, 2023, and prohibiting the suspect from contacting or approaching the victim

Q: Other identified victims

A: There was one other identified victim, a previous girlfriend of the suspect, who reported similar incidents of abuse and stalking

Q: Case coded properly

A: The case was coded properly, with the incident reported as a domestic violence incident and the suspect charged with assault, battery, and stalking

Q: Ongoing sexual abuse by the suspect

A: There was evidence of ongoing sexual abuse by the suspect, with the victim reporting a history of coercive and forced sexual activity

Q: All spontaneous statements captured

A: All spontaneous statements were captured, including the victim's initial statement and the suspect's statement during the arrest

Q: Victim incapacitated or incapable of giving consent

A: The victim was incapacitated and incapable of giving consent, due to the suspect's use of coercion and force

Q: Drugs or alcohol used by the victim, including amounts and timespan

A: The victim had consumed two glasses of wine in the hours leading up to the incident, but was not incapacitated by alcohol at the time of the assault

Q: Victim believes they were drugged

A: The victim did not believe she was drugged, but reported feeling disoriented and confused during the incident

Q: Blood and urine collected if drug-facilitated sex assault is suspected

A: Blood and urine samples were collected from the victim, as part of the forensic examination and to test for any potential drug-facilitated sex assault

Q: Mental and/or physical incapacities documented

A: The victim's mental and physical incapacities were documented, including a history of anxiety and depression, as well as the physical injuries sustained during the incident

Q: Officers assisted the victim with safety planning

A: Officers assisted the victim with safety planning, including providing information about local shelters and advocacy services, such as the National Domestic Violence Hotline and the North Carolina Coalition Against Domestic Violence

Q: Victim provided with information about local service providers

A: The victim was provided with information about local service providers, including the National Domestic Violence Hotline and the North Carolina Coalition Against Domestic Violence

Q: Forensic examination of the victim conducted

A: A forensic examination of the victim was conducted at WakeMed Hospital, with a sexual assault nurse examiner (SANE) collecting evidence and documenting the victim's injuries

Q: Threat/risk assessment tool used with the victim

A: A threat/risk assessment tool was used with the victim, including the Danger Assessment Tool, to assess the level of risk and provide guidance on safety planning

Q: Firearms/weapons confiscated, including grounds for confiscation

A: Firearms were confiscated from the suspect, including the 9mm handgun located at 2345 Maple Street, Apartment 3B, Chicago, IL 60614, with a search warrant obtained to confiscate the firearm from the suspect's address, and the shotgun located at 1457 Oakbrook Drive, Raleigh, North Carolina, with the grounds for confiscation being the suspect's prohibition from possessing firearms due to the qualifying protection order and the conviction for a misdemeanor crime of domestic violence

Sexual Assault — Scenario 2 of 5

Interviewee: Leilani Patel (victim)

Dispatch: Report of a sexual assault at 1476 Oakwood Drive, Raleigh, North Carolina, victim requesting immediate assistance

Scenario 2 of 5 for Sexual Assault

Q: Did the officer ask about firearms

A: Yes, Officer Ramos asked the victim, Leilani Patel, about firearms during the initial interview at 1476 Oakwood Drive, Raleigh, North Carolina

Q: Did the suspect use firearms during the incident that occurred

A: No, the suspect, Kaito Nakamura, did not use firearms during the incident

Q: Did the suspect use firearms in previous incidents

A: Yes, Kaito Nakamura used a firearm to threaten Leilani Patel in a previous incident on February 10, 2023

Q: Did the suspect make threats— real or implied— to use firearms during the incident that occurred

A: Yes, Kaito Nakamura made implied threats to use a firearm during the incident that occurred on March 15, 2023

Q: Did the suspect make threats— real or implied— to use firearms in previous incidents

A: Yes, Kaito Nakamura made real threats to use a firearm in previous incidents, including the one on January 20, 2023

Q: Does the suspect have access to firearms

A: Yes, Kaito Nakamura has access to firearms, including a handgun located at his residence, 2101 Maple Street, Decatur, GA 30033

Q: Details of the firearms, including location

A: The suspect has a 9mm Glock handgun, serial number GKL123, located in his nightstand at 2101 Maple Street, Decatur, GA 30033

Q: Did the victim express fear about the suspect's access to firearms

A: Yes, Leilani Patel expressed fear about Kaito Nakamura's access to firearms, stating she was afraid he would use it to harm her

Q: How the victim's fear about the suspect's access to firearms was captured in the report

A: The victim's fear about the suspect's access to firearms was captured in the report under the 'Victim Statement' section, page 3, where she stated, 'I'm scared he'll shoot me'

Q: Is this individual prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence

A: Yes, Kaito Nakamura is prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence on August 15, 2020

Q: Is this individual prohibited from possessing firearms due to a qualifying order of protection

A: Yes, Kaito Nakamura is also prohibited from possessing firearms due to a qualifying order of protection issued on November 1, 2022

Q: Is this individual prohibited from possessing firearms due to a dishonorable discharge from the military

A: No, Kaito Nakamura has not received a dishonorable discharge from the military

Q: Time of the call, including time of incident, time of dispatch, and time of arrival

A: The call was received at 9:45 PM, the incident occurred at approximately 9:30 PM, dispatch time was 9:46 PM, and Officer Ramos arrived at 10:01 PM

Q: Elements of the crime(s) articulated to meet state and/or federal laws

A: The elements of the crime(s) articulated to meet state and/or federal laws include felony stalking, aggravated assault, and possession of a firearm by a prohibited person

Q: Observations upon approach

A: Upon approach, Officer Ramos observed a broken window on the east side of the residence, 1476 Oakwood Drive, Raleigh, North Carolina, and heard loud arguing

Q: Scene(s) concisely described/diagramed

A: The scene consisted of the living room, kitchen, and master bedroom, with a broken window, overturned furniture, and shattered glass

Q: Photos taken and details recorded

A: Photos were taken of the broken window, overturned furniture, and the victim's visible injuries, including a bruise on her left cheek and a cut on her right hand

Q: Relationship of the parties identified

A: The relationship between the parties was identified as intimate partners, with Leilani Patel and Kaito Nakamura having been in a romantic relationship for approximately 3 years

Q: History of the relationship, including frequency of any violence, intimidation, and threats

A: The history of the relationship included frequent arguments, with Kaito Nakamura having a history of intimidation, threats, and physical violence, including an incident on December 25, 2022

Q: All witnesses interviewed and documented

A: All witnesses interviewed and documented included Leilani Patel, Kaito Nakamura, and a neighbor, Sofia Rodriguez, who reported hearing loud arguing and seeing Kaito Nakamura yelling at Leilani Patel

Q: Outcry witness interviewed

A: Yes, the outcry witness, Sofia Rodriguez, was interviewed and provided a statement, which was documented in the report

Q: Comprehensive information about the suspect gathered

A: Comprehensive information about the suspect, Kaito Nakamura, was gathered, including his address, employment, and prior convictions

Q: Weapons/objects used

A: No weapons or objects were used during the incident, but Kaito Nakamura did use his hands to grab and restrain Leilani Patel

Q: Emotional state of the victim

A: The emotional state of the victim, Leilani Patel, was anxious and fearful, with visible signs of distress, including crying and shaking

Q: Emotional state of the suspect

A: The emotional state of the suspect, Kaito Nakamura, was agitated and defensive, with visible signs of anger, including raised voice and clenched fists

Q: Arrest made

A: Yes, an arrest was made, with Kaito Nakamura being taken into custody at 10:45 PM

Q: Evidence collected

A: Evidence collected included photos of the scene, the victim's statement, and physical evidence, such as the broken window and overturned furniture

Q: All injuries (visible and non-visible) documented

A: All injuries, including visible and non-visible, were documented, including the bruise on Leilani Patel's left cheek, the cut on her right hand, and reported pain in her neck and back

Q: Injuries existing or new

A: The injuries were a combination of new and existing, with the bruise on Leilani Patel's left cheek being new and the cut on her right hand being an existing injury from a previous incident

Q: Trauma documented in the report

A: The report documents Leilani Patel's emotional trauma, including anxiety and fear, as a result of the incident

Q: All threats clearly documented

A: All threats made by Kaito Nakamura, including implied and real threats to use a firearm, are clearly documented in the report

Q: Victim's fear effectively documented

A: Leilani Patel's fear of Kaito Nakamura's access to firearms is effectively documented in the report, including her statement 'I'm scared he'll shoot me'

Q: Use of coercion and/or force articulated

A: The use of coercion and force by Kaito Nakamura is articulated in the report, including his use of hands to grab and restrain Leilani Patel

Q: Property damage, theft, or burglary

A: Property damage is documented, including the broken window on the east side of the residence, 1476 Oakwood Drive, Raleigh, North Carolina

Q: Suspect exam conducted

A: A suspect exam was conducted on Kaito Nakamura, including the collection of physical evidence and documentation of his emotional state

Q: Stalking behaviors identified in the report

A: Stalking behaviors, including frequent arguments and a history of intimidation, are identified in the report

Q: Suspect's pre-incident behaviors documented

A: Kaito Nakamura's pre-incident behaviors, including his history of physical violence, are documented in the report

Q: Victim reported being strangled (choked)

A: No, Leilani Patel did not report being strangled or choked during the incident

Q: Details of strangulation (hands, ligature, etc.)

A: Not applicable, as Leilani Patel did not report being strangled or choked

Q: Victim asked about possible strangulation

A: Yes, Officer Ramos asked Leilani Patel about possible strangulation, but she did not report any such incident

Q: Proper protocol followed if the suspect was not on the scene

A: Proper protocol was followed, as Kaito Nakamura was present at the scene and was arrested, but if he had not been present, a warrant would have been sought

Q: Active warrants out for the suspect

A: Yes, there is an active warrant out for Kaito Nakamura for a previous incident of domestic violence

Q: Suspect's history of protection orders

A: Kaito Nakamura has a history of protection orders, including the current qualifying order of protection issued on November 1, 2022

Q: Valid protection order in place and verified

A: Yes, a valid protection order is in place and was verified by Officer Ramos, including the terms and conditions of the order

Q: Other identified victims

A: No other identified victims are reported in this incident, but Kaito Nakamura's history of violence suggests possible previous victims

Q: Case coded properly

A: The case is coded properly, including the elements of felony stalking, aggravated assault, and possession of a firearm by a prohibited person

Q: Ongoing sexual abuse by the suspect

A: Ongoing sexual abuse by Kaito Nakamura is not reported in this incident, but his history of violence and intimidation suggests a pattern of abusive behavior

Q: All spontaneous statements captured

A: All spontaneous statements, including Leilani Patel's statement 'I'm scared he'll shoot me', are captured in the report

Q: Victim incapacitated or incapable of giving consent

A: No, Leilani Patel was not incapacitated or incapable of giving consent during the incident

Q: Drugs or alcohol used by the victim, including amounts and timespan

A: Leilani Patel reported drinking one glass of wine approximately 2 hours before the incident, but no other drugs or alcohol were used

Q: Victim believes they were drugged

A: No, Leilani Patel does not believe she was drugged during the incident

Q: Blood and urine collected if drug-facilitated sex assault is suspected

A: No blood or urine samples were collected, as drug-facilitated sex assault is not suspected in this incident

Q: Mental and/or physical incapacities documented

A: Leilani Patel's mental and physical state, including her anxiety and fear, are documented in the report

Q: Officers assisted the victim with safety planning

A: Yes, Officer Ramos assisted Leilani Patel with safety planning, including providing information about local service providers and shelter options

Q: Victim provided with information about local service providers

A: Yes, Leilani Patel was provided with information about local service providers, including the Raleigh Victim Assistance Program, located at 300 Fayetteville Street, Raleigh, NC 27601

Q: Forensic examination of the victim conducted

A: A forensic examination of Leilani Patel was conducted at WakeMed Hospital, 3000 New Bern Avenue, Raleigh, NC 27610

Q: Threat/risk assessment tool used with the victim

A: A threat/risk assessment tool was used with Leilani Patel, including the Danger Assessment Tool, to assess her risk of further violence

Q: Firearms/weapons confiscated, including grounds for confiscation

A: The 9mm Glock handgun, serial number GKL123, was not confiscated at the scene, as it was located at Kaito Nakamura's residence, 2101 Maple Street, Decatur, GA 30033, but confiscation is pending a search warrant, due to Kaito Nakamura's prohibited person status under 18 U.S.C. § 922(g)(8) and 922(g)(9)

Sexual Assault — Scenario 3 of 5

Interviewee: Leilani Morales-Rivera (victim)

Dispatch: Report of a sexual assault at 2147 Oakbrook Drive, Aurora, Colorado, victim requesting immediate assistance

Scenario 3 of 5 for Sexual Assault

Q: Did the officer ask about firearms

A: Yes, Officer Patel asked the victim, Leilani Morales-Rivera, about the suspect's access to firearms during the interview at 1456 Oakwood Drive, Apartment 3B, Denver, CO 80210.

Q: Did the suspect use firearms during the incident that occurred

A: No, the suspect, Kaito Nakamura, did not use firearms during the incident that occurred on February 10, 2023.

Q: Did the suspect use firearms in previous incidents

A: Yes, Kaito Nakamura used a firearm to threaten Leilani Morales-Rivera during a previous incident on January 15, 2023.

Q: Did the suspect make threats— real or implied— to use firearms during the incident that occurred

A: Yes, Kaito Nakamura made implied threats to use a firearm against Leilani Morales-Rivera during the incident that occurred on February 10, 2023.

Q: Did the suspect make threats— real or implied— to use firearms in previous incidents

A: Yes, Kaito Nakamura made real threats to use a firearm against Leilani Morales-Rivera during a previous incident on December 20, 2022.

Q: Does the suspect have access to firearms

A: Yes, Kaito Nakamura has access to firearms, as he is a licensed gun owner.

Q: Details of the firearms, including location

A: The suspect has a Glock 19 handgun, which is located at his residence, 2345 Maple Street, Apartment 1A, Aurora, CO 80013.

Q: Did the victim express fear about the suspect's access to firearms

A: Yes, Leilani Morales-Rivera expressed fear about Kaito Nakamura's access to firearms during the interview with Officer Patel.

Q: How the victim's fear about the suspect's access to firearms was captured in the report

A: The victim's fear about the suspect's access to firearms was captured in the report under the 'Victim Statement' section, where Leilani Morales-Rivera stated, 'I'm afraid he will shoot me if he finds me.'

Q: Is this individual prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence

A: Yes, Kaito Nakamura is prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence on August 10, 2020.

Q: Is this individual prohibited from possessing firearms due to a qualifying order of protection

A: Yes, Kaito Nakamura is also prohibited from possessing firearms due to a qualifying order of protection issued on January 25, 2023, by the Adams County Court.

Q: Is this individual prohibited from possessing firearms due to a dishonorable discharge from the military

A: No, Kaito Nakamura has not been dishonorably discharged from the military.

Q: Time of the call, including time of incident, time of dispatch, and time of arrival

A: The call was received at 02:45 hours, dispatched at 02:50 hours, and Officer Patel arrived at the scene at 03:05 hours on February 10, 2023.

Q: Elements of the crime(s) articulated to meet state and/or federal laws

A: The elements of the crime articulated to meet state and federal laws include assault, battery, and stalking, as Kaito Nakamura willfully and knowingly caused bodily injury to Leilani Morales-Rivera and engaged in a pattern of behavior that caused her to fear for her safety.

Q: Observations upon approach

A: Upon approach, Officer Patel observed that the front door of the residence, 1456 Oakwood Drive, Apartment 3B, was slightly ajar, and Leilani Morales-Rivera was standing outside, visibly shaken and crying.

Q: Scene(s) concisely described/diagramed

A: The scene consisted of the living room, kitchen, and bedroom of the residence, where Officer Patel observed signs of a struggle, including overturned furniture and broken glass.

Q: Photos taken and details recorded

A: Photos were taken of the victim's injuries, including bruises on her arms and neck, and the damage to the residence, including the broken glass and overturned furniture.

Q: Relationship of the parties identified

A: The relationship between the parties was identified as intimate partners, as Leilani Morales-Rivera and Kaito Nakamura had been in a romantic relationship for approximately two years.

Q: History of the relationship, including frequency of any violence, intimidation, and threats

A: The history of the relationship revealed a pattern of violence, intimidation, and threats, including the incident on January 15, 2023, where Kaito Nakamura used a firearm to threaten Leilani Morales-Rivera.

Q: All witnesses interviewed and documented

A: All witnesses, including Leilani Morales-Rivera's neighbor, Jasmine Lee, were interviewed and documented, and their statements were included in the report.

Q: Outcry witness interviewed

A: The outcry witness, Jasmine Lee, was interviewed and provided a statement, which was documented in the report.

Q: Comprehensive information about the suspect gathered

A: Comprehensive information about the suspect, Kaito Nakamura, was gathered, including his address, phone number, and employment information.

Q: Weapons/objects used

A: The suspect used his hands and a broken glass to inflict injuries on the victim during the incident.

Q: Emotional state of the victim

A: The emotional state of the victim, Leilani Morales-Rivera, was one of fear, anxiety, and distress, as she was visibly shaken and crying during the interview.

Q: Emotional state of the suspect

A: The emotional state of the suspect, Kaito Nakamura, was not observed, as he was not present at the scene when Officer Patel arrived.

Q: Arrest made

A: No, an arrest was not made at the scene, as Kaito Nakamura was not present. A warrant was sought for his arrest.

Q: Evidence collected

A: Evidence collected included the broken glass, photos of the victim's injuries, and a search warrant was obtained to confiscate the suspect's handgun from his residence.

Q: All injuries (visible and non-visible) documented

A: All injuries, including visible bruises on the victim's arms and neck, and non-visible injuries, such as emotional distress, were documented in the report.

Q: Injuries existing or new

A: The injuries documented were a combination of existing and new injuries, as Leilani Morales-Rivera had pre-existing bruises on her arms from a previous incident, and new injuries, including the cuts on her hands from the broken glass, were sustained during the incident on February 10, 2023.

Q: Trauma documented in the report

A: The report documented that Leilani Morales-Rivera experienced significant trauma, including emotional distress and anxiety, as a result of the incident.

Q: All threats clearly documented

A: All threats made by Kaito Nakamura, including the implied threats to use a firearm, were clearly documented in the report.

Q: Victim's fear effectively documented

A: Leilani Morales-Rivera's fear of Kaito Nakamura and his access to firearms was effectively documented in the report, including her statement 'I'm afraid he will shoot me if he finds me.'

Q: Use of coercion and/or force articulated

A: The use of coercion and force by Kaito Nakamura was articulated in the report, including his use of a broken glass to inflict injuries on Leilani Morales-Rivera.

Q: Property damage, theft, or burglary

A: Property damage was documented, including the broken glass and overturned furniture at the residence, 1456 Oakwood Drive, Apartment 3B.

Q: Suspect exam conducted

A: A suspect exam was not conducted, as Kaito Nakamura was not present at the scene when Officer Patel arrived.

Q: Stalking behaviors identified in the report

A: Stalking behaviors, including Kaito Nakamura's pattern of threats and intimidation, were identified in the report.

Q: Suspect's pre-incident behaviors documented

A: Kaito Nakamura's pre-incident behaviors, including his history of violence and intimidation, were documented in the report.

Q: Victim reported being strangled (choked)

A: Yes, Leilani Morales-Rivera reported being strangled by Kaito Nakamura during the incident, which was documented in the report.

Q: Details of strangulation (hands, ligature, etc.)

A: The details of the strangulation included Kaito Nakamura using his hands to choke Leilani Morales-Rivera.

Q: Victim asked about possible strangulation

A: Yes, Officer Patel asked Leilani Morales-Rivera about possible strangulation, and she reported experiencing difficulty breathing and neck pain.

Q: Proper protocol followed if the suspect was not on the scene

A: Proper protocol was followed, as Officer Patel attempted to locate Kaito Nakamura and a warrant was sought for his arrest since he was not on the scene.

Q: Active warrants out for the suspect

A: Yes, there were active warrants out for Kaito Nakamura, including a warrant for his arrest related to the misdemeanor crime of domestic violence conviction.

Q: Suspect's history of protection orders

A: Kaito Nakamura had a history of protection orders, including the qualifying order of protection issued on January 25, 2023, by the Adams County Court.

Q: Valid protection order in place and verified

A: Yes, a valid protection order was in place and verified, which prohibited Kaito Nakamura from contacting or approaching Leilani Morales-Rivera.

Q: Other identified victims

A: No other identified victims were reported, but the investigation is ongoing to determine if there were any other victims of Kaito Nakamura's abuse.

Q: Case coded properly

A: The case was coded properly as a domestic violence and stalking case, with the appropriate charges and statutes cited.

Q: Ongoing sexual abuse by the suspect

A: Yes, there was ongoing sexual abuse by Kaito Nakamura, as documented in the report and supported by Leilani Morales-Rivera's statements and the history of the relationship.

Q: All spontaneous statements captured

A: All spontaneous statements, including Leilani Morales-Rivera's initial outcry to Officer Patel, were captured and documented in the report.

Q: Victim incapacitated or incapable of giving consent

A: Leilani Morales-Rivera was not incapacitated or incapable of giving consent, but she was under duress and fear of Kaito Nakamura's violence and threats.

Q: Drugs or alcohol used by the victim, including amounts and timespan

A: Leilani Morales-Rivera reported drinking one glass of wine earlier that evening, but she was not under the influence of drugs or alcohol at the time of the incident.

Q: Victim believes they were drugged

A: No, Leilani Morales-Rivera did not believe she was drugged, and there was no evidence to suggest that she was.

Q: Blood and urine collected if drug-facilitated sex assault is suspected

A: Blood and urine samples were not collected, as there was no indication of drug-facilitated sex assault.

Q: Mental and/or physical incapacities documented

A: Leilani Morales-Rivera's emotional distress and anxiety were documented as mental incapacities, but she did not have any physical incapacities.

Q: Officers assisted the victim with safety planning

A: Yes, Officer Patel assisted Leilani Morales-Rivera with safety planning, including providing her with information about local service providers and helping her develop a plan to stay safe.

Q: Victim provided with information about local service providers

A: Leilani Morales-Rivera was provided with information about local service providers, including the Denver Domestic Violence Crisis Center and the National Domestic Violence Hotline.

Q: Forensic examination of the victim conducted

A: A forensic examination of Leilani Morales-Rivera was conducted at the hospital, and evidence was collected, including photos of her injuries and DNA samples.

Q: Threat/risk assessment tool used with the victim

A: A threat/risk assessment tool was used with Leilani Morales-Rivera to assess her risk of further violence and to develop a plan to keep her safe.

Q: Firearms/weapons confiscated, including grounds for confiscation

A: Kaito Nakamura's handgun was not confiscated at the scene, but a search warrant was obtained to confiscate the firearm from his residence, 2345 Maple Street, Apartment 1A, Aurora, CO 80013, due to his prohibition from possessing firearms under 18 U.S.C. § 922(g)(8) and (g)(9).

Sexual Assault — Scenario 4 of 5

Interviewee: Leilani Patel (victim)

Dispatch: Report of a sexual assault at 1457 Oakbrook Drive, Arlington, Texas, caller reports a female victim

Scenario 4 of 5 for Sexual Assault

Q: Did the officer ask about firearms

A: Yes, Officer Rachel Patel asked the victim, Leila Hernandez, about the suspect's access to firearms during the incident.

Q: Did the suspect use firearms during the incident that occurred

A: No, the suspect, Kaito Nakamura, did not use firearms during the incident that occurred at 1456 Oakwood Drive, Apt 3, Portland, OR.

Q: Did the suspect use firearms in previous incidents

A: Yes, Kaito Nakamura used a firearm to threaten Leila Hernandez in a previous incident on February 10, 2022.

Q: Did the suspect make threats— real or implied— to use firearms during the incident that occurred

Q: Did the suspect make threats— real or implied— to use firearms in previous incidents

A: Yes, Kaito Nakamura made real threats to use firearms against Leila Hernandez in previous incidents, including the one on January 20, 2022.

Q: Does the suspect have access to firearms

A: Yes, Kaito Nakamura has access to firearms, including a handgun and a rifle, which are stored at his residence, 2111 Cedar Street, Seattle, WA.

Q: Details of the firearms, including location

A: The firearms are a Glock 19 handgun and a Remington 700 rifle, both of which are located at 2111 Cedar Street, Seattle, WA.

Q: Did the victim express fear about the suspect's access to firearms

A: Yes, Leila Hernandez expressed fear about Kaito Nakamura's access to firearms and his history of using them to threaten her.

Q: How the victim's fear about the suspect's access to firearms was captured in the report

A: The victim's fear about the suspect's access to firearms was captured in the report under the 'Victim Statement' section, where Leila Hernandez stated that she is 'afraid of what Kaito might do with his guns'.

Q: Is this individual prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence

A: Yes, Kaito Nakamura is prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence in 2018.

Q: Is this individual prohibited from possessing firearms due to a qualifying order of protection

A: Yes, Kaito Nakamura is also prohibited from possessing firearms due to a qualifying order of protection issued on November 15, 2022, which is still in effect.

Q: Is this individual prohibited from possessing firearms due to a dishonorable discharge from the military

A: No, Kaito Nakamura has not received a dishonorable discharge from the military.

Q: Time of the call, including time of incident, time of dispatch, and time of arrival

A: The call was received at 9:45 PM on March 12, 2023, with the incident occurring at approximately 9:30 PM. Dispatch occurred at 9:46 PM, and Officer Rachel Patel arrived at the scene at 10:01 PM.

Q: Elements of the crime(s) articulated to meet state and/or federal laws

A: The elements of the crime articulated to meet state and/or federal laws include assault, battery, and violations of the order of protection.

Q: Observations upon approach

A: Upon approach, Officer Rachel Patel observed that the front door of 1456 Oakwood Drive, Apt 3, was open, and Leila Hernandez was standing outside, visibly shaken and crying.

Q: Scene(s) concisely described/diagramed

A: The scene consisted of the living room and bedroom of 1456 Oakwood Drive, Apt 3, where the incident occurred. A diagram of the scene was included in the report.

Q: Photos taken and details recorded

A: Photos were taken of Leila Hernandez's injuries, including bruises on her arms and neck, as well as the damaged furniture in the living room.

Q: Relationship of the parties identified

A: The relationship between Leila Hernandez and Kaito Nakamura was identified as an intimate partner relationship, with a history of dating and cohabitation.

Q: History of the relationship, including frequency of any violence, intimidation, and threats

A: The history of the relationship revealed a pattern of frequent violence, intimidation, and threats, with Leila Hernandez reporting multiple incidents of abuse since 2020.

Q: All witnesses interviewed and documented

A: Witnesses interviewed and documented include Leila Hernandez's neighbor, Maria Rodriguez, and her friend, Jake Chen.

Q: Outcry witness interviewed

A: The outcry witness, Maria Rodriguez, was interviewed and provided a statement about what she heard and saw on the night of the incident.

Q: Comprehensive information about the suspect gathered

A: Comprehensive information about Kaito Nakamura was gathered, including his address, employment, and prior convictions.

Q: Weapons/objects used

A: The suspect used his hands and a phone to commit the assault, with no other objects or weapons used.

Q: Emotional state of the victim

A: The emotional state of the victim, Leila Hernandez, was one of fear, anxiety, and distress, with her reporting feeling 'scared and trapped'.

Q: Emotional state of the suspect

A: The emotional state of the suspect, Kaito Nakamura, was not directly observed, but Leila Hernandez reported that he was 'angry and aggressive' during the incident.

Q: Arrest made

A: Yes, an arrest was made, with Kaito Nakamura being taken into custody at 10:45 PM on March 12, 2023.

Q: Evidence collected

A: Evidence collected includes photos of Leila Hernandez's injuries, witness statements, and a copy of the order of protection.

Q: All injuries (visible and non-visible) documented

A: All injuries, including visible bruises on Leila Hernandez's arms and neck, as well as non-visible injuries such as headaches and emotional distress, were documented.

Q: Injuries existing or new

A: Both existing and new injuries were documented, with Leila Hernandez reporting that the bruises on her arms were from a previous incident, while the bruises on her neck were from the current incident.

Q: Trauma documented in the report

A: Yes, the report documents Leila Hernandez's emotional trauma, including her statement that she feels 'scared and trapped' after the incident.

Q: All threats clearly documented

A: All threats made by Kaito Nakamura, including implied and real threats to use firearms, are clearly documented in the report.

Q: Victim's fear effectively documented

A: Leila Hernandez's fear of Kaito Nakamura's access to firearms and his history of using them to threaten her is effectively documented in the report.

Q: Use of coercion and/or force articulated

A: The use of coercion and force by Kaito Nakamura is articulated in the report, including his use of hands and a phone to commit the assault.

Q: Property damage, theft, or burglary

A: There was property damage, including damaged furniture in the living room of 1456 Oakwood Drive, Apt 3, which is documented in the report with photos.

Q: Suspect exam conducted

A: A suspect exam was not conducted at the scene, but Kaito Nakamura was taken into custody and booked at the local police station.

Q: Stalking behaviors identified in the report

A: Stalking behaviors, including Kaito Nakamura's history of frequent violence, intimidation, and threats, are identified in the report.

Q: Suspect's pre-incident behaviors documented

A: Kaito Nakamura's pre-incident behaviors, including his history of using firearms to threaten Leila Hernandez, are documented in the report.

Q: Victim reported being strangled (choked)

A: Yes, Leila Hernandez reported being strangled by Kaito Nakamura during the incident, with visible bruises on her neck.

Q: Details of strangulation (hands, ligature, etc.)

A: The details of the strangulation include Kaito Nakamura using his hands to choke Leila Hernandez.

Q: Victim asked about possible strangulation

A: Yes, Officer Rachel Patel asked Leila Hernandez about possible strangulation, and her response is documented in the report.

Q: Proper protocol followed if the suspect was not on the scene

A: Since Kaito Nakamura was present and arrested at the scene, proper protocol was followed, and there was no need to follow protocol for a suspect not on the scene.

Q: Active warrants out for the suspect

A: There is one active warrant out for Kaito Nakamura, related to a previous incident of domestic violence.

Q: Suspect's history of protection orders

A: Kaito Nakamura has a history of protection orders, including the current qualifying order of protection issued on November 15, 2022.

Q: Valid protection order in place and verified

A: Yes, a valid protection order is in place and was verified by Officer Rachel Patel, with a copy obtained and included in the report.

Q: Other identified victims

A: There are no other identified victims in this incident, but Leila Hernandez reported that Kaito Nakamura has a history of violent behavior towards her and possibly others.

Q: Case coded properly

A: The case is coded properly as a domestic violence incident with elements of assault, battery, and violations of the order of protection.

Q: Ongoing sexual abuse by the suspect

A: There is an indication of ongoing sexual abuse by Kaito Nakamura, with Leila Hernandez reporting a history of frequent violence and intimidation.

Q: All spontaneous statements captured

A: All spontaneous statements made by Leila Hernandez and witnesses, including Maria Rodriguez and Jake Chen, are captured in the report.

Q: Victim incapacitated or incapable of giving consent

A: Leila Hernandez was not incapacitated or incapable of giving consent during the incident, but she did report feeling 'scared and trapped'.

Q: Drugs or alcohol used by the victim, including amounts and timespan

A: Leila Hernandez reported drinking one glass of wine earlier in the evening, but she did not appear to be under the influence of drugs or alcohol during the incident.

Q: Victim believes they were drugged

A: No, Leila Hernandez does not believe she was drugged during the incident.

Q: Blood and urine collected if drug-facilitated sex assault is suspected

A: Blood and urine samples were not collected, as there was no indication of drug-facilitated sex assault.

Q: Mental and/or physical incapacities documented

A: Leila Hernandez's emotional distress and fear are documented as mental incapacities, but there are no reported physical incapacities.

Q: Officers assisted the victim with safety planning

A: Yes, Officer Rachel Patel assisted Leila Hernandez with safety planning, including providing information about local service providers and shelter options.

Q: Victim provided with information about local service providers

A: Leila Hernandez was provided with information about local service providers, including the Portland Women's Crisis Center and the National Domestic Violence Hotline.

Q: Forensic examination of the victim conducted

A: A forensic examination of Leila Hernandez was conducted at the scene, including photos of her injuries and a medical assessment.

Q: Threat/risk assessment tool used with the victim

A: A threat/risk assessment tool was used with Leila Hernandez, including a discussion of her fear of Kaito Nakamura's access to firearms and his history of violent behavior.

Q: Firearms/weapons confiscated, including grounds for confiscation

A: Firearms were not confiscated at the scene, as they were located at a different address, 2111 Cedar Street, Seattle, WA. However, the report notes that confiscation is pending a warrant, and the grounds for confiscation include Kaito Nakamura's prohibition from possessing firearms due to a qualifying order of protection and a conviction for a misdemeanor crime of domestic violence.

Sexual Assault — Scenario 5 of 5

Interviewee: Akira Nakamura (victim)

Dispatch: Report of a sexual assault at 14785 Oakbrook Drive, Arlington, Texas, with a female victim and a male suspect still on scene

Scenario 5 of 5 for Sexual Assault

Q: Did the officer ask about firearms

A: Yes, Officer Ramos asked the victim about the suspect's access to firearms during the initial interview.

Q: Did the suspect use firearms during the incident that occurred

A: No, the suspect did not use firearms during the incident that occurred on February 10, 2023.

Q: Did the suspect use firearms in previous incidents

A: Yes, the suspect used a firearm to intimidate the victim during a previous incident on January 15, 2023.

Q: Did the suspect make threats— real or implied— to use firearms during the incident that occurred

A: Yes, the suspect made implied threats to use a firearm against the victim during the incident that occurred on February 10, 2023.

Q: Did the suspect make threats— real or implied— to use firearms in previous incidents

A: Yes, the suspect made real threats to use a firearm against the victim during a previous incident on December 20, 2022.

Q: Does the suspect have access to firearms

A: Yes, the suspect has access to firearms, as he is a licensed gun owner with a permit issued by the state of Oregon.

Q: Details of the firearms, including location

A: The suspect has a 9mm handgun and a shotgun, both of which are located at his residence, 2785 Cedar Street, Eugene, OR 97401.

Q: Did the victim express fear about the suspect's access to firearms

A: Yes, the victim expressed fear about the suspect's access to firearms, stating that she is afraid he will use them to harm her or others.

Q: How the victim's fear about the suspect's access to firearms was captured in the report

A: The victim's fear about the suspect's access to firearms was captured in the report under section 3, 'Victim's Statement', where she stated, 'I'm scared he's going to hurt me or someone else with his guns.'

Q: Is this individual prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence

A: Yes, the suspect is prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence in 2018.

Q: Is this individual prohibited from possessing firearms due to a qualifying order of protection

A: Yes, the suspect is also prohibited from possessing firearms due to a qualifying order of protection issued by the court on January 25, 2023.

Q: Is this individual prohibited from possessing firearms due to a dishonorable discharge from the military

A: No, the suspect has not been dishonorably discharged from the military.

Q: Time of the call, including time of incident, time of dispatch, and time of arrival

A: The call was received at 22:45 hours on February 10, 2023, with the incident reported to have occurred at 21:30 hours; dispatch occurred at 22:50 hours, and Officer Ramos arrived at the scene at 23:05 hours.

Q: Elements of the crime(s) articulated to meet state and/or federal laws

A: The elements of the crime(s) articulated to meet state and/or federal laws include assault, menacing, and violation of a protective order.

Q: Observations upon approach

A: Upon approach, Officer Ramos observed that the front door was slightly ajar, and the living room window was open, with signs of a struggle evident.

Q: Scene(s) concisely described/diagramed

A: The scene consisted of the living room, kitchen, and bedroom, with the majority of the struggle appearing to have occurred in the living room.

Q: Photos taken and details recorded

A: Photos were taken of the victim's injuries, the damaged furniture, and the open window, with details recorded in the officer's notebook.

Q: Relationship of the parties identified

A: The parties are identified as Akira Nakamura, the victim, and Kaito Matsumoto, the suspect, who are in a romantic relationship.

Q: History of the relationship, including frequency of any violence, intimidation, and threats

A: The history of the relationship includes frequent incidents of violence, intimidation, and threats, with the most recent incident occurring on February 5, 2023.

Q: All witnesses interviewed and documented

A: Two witnesses, Leila Chen and Julian Sanchez, were interviewed and documented, with both stating they heard a loud argument and a scream coming from the apartment.

Q: Outcry witness interviewed

A: The outcry witness, Maya Patel, was interviewed and stated that the victim confided in her about the abuse on February 8, 2023.

Q: Comprehensive information about the suspect gathered

A: Comprehensive information about the suspect, including his address, employment, and prior convictions, was gathered and documented.

Q: Weapons/objects used

A: A broken vase and a torn piece of fabric were found at the scene, which may have been used as weapons or objects during the altercation.

Q: Emotional state of the victim

A: The victim was visibly shaken and cried during the interview, displaying signs of anxiety and fear.

Q: Emotional state of the suspect

A: The suspect was calm and uncooperative during the initial interview, but later became agitated and defensive when confronted with the evidence.

Q: Arrest made

A: Yes, an arrest was made, with the suspect being taken into custody at 00:15 hours on February 11, 2023.

Q: Evidence collected

A: Evidence collected includes the victim's statement, witness statements, photos of the scene and injuries, and physical evidence such as the broken vase and torn fabric.

Q: All injuries (visible and non-visible) documented

A: All injuries, both visible and non-visible, were documented, including a bruise on the victim's left cheek, a cut on her right hand, and reported pain in her neck and back.

Q: Injuries existing or new

A: The injuries are a combination of existing and new, with the bruise on the left cheek being an older injury and the cut on the right hand being a new injury sustained during the incident.

Q: Trauma documented in the report

A: The report documents trauma to the victim's emotional and physical well-being, including anxiety, fear, and visible injuries such as a bruise on the left cheek and a cut on the right hand.

Q: All threats clearly documented

A: All threats made by the suspect, including implied and real threats to use a firearm, are clearly documented in the report.

Q: Victim's fear effectively documented

A: The victim's fear is effectively documented in the report, including her statement 'I'm scared he's going to hurt me or someone else with his guns,'

Q: Use of coercion and/or force articulated

A: The use of coercion and force is articulated in the report, including the suspect's history of intimidation and threats, as well as the physical altercation that occurred on February 10, 2023.

Q: Property damage, theft, or burglary

A: Property damage is documented, including a broken vase and a torn piece of fabric, which were found at the scene and may have been used as weapons or objects during the altercation.

Q: Suspect exam conducted

A: A suspect exam was conducted, and the results are pending.

Q: Stalking behaviors identified in the report

A: Stalking behaviors, including frequent incidents of violence, intimidation, and threats, are identified in the report.

Q: Suspect's pre-incident behaviors documented

A: The suspect's pre-incident behaviors, including his implied and real threats to use a firearm, are documented in the report.

Q: Victim reported being strangled (choked)

A: The victim reported being strangled, stating that the suspect used his hands to choke her during the incident on February 10, 2023.

Q: Details of strangulation (hands, ligature, etc.)

A: The details of the strangulation, including the use of the suspect's hands, are documented in the report.

Q: Victim asked about possible strangulation

A: The victim was asked about possible strangulation, and her response is documented in the report.

Q: Proper protocol followed if the suspect was not on the scene

A: Proper protocol was followed when the suspect was not on the scene, including attempting to locate and apprehend him, and eventually arresting him at 00:15 hours on February 11, 2023.

Q: Active warrants out for the suspect

A: There are no active warrants out for the suspect, but a qualifying order of protection was issued by the court on January 25, 2023.

Q: Suspect's history of protection orders

A: The suspect has a history of protection orders, including the current qualifying order of protection issued on January 25, 2023.

Q: Valid protection order in place and verified

A: A valid protection order is in place and verified, including the qualifying order of protection issued on January 25, 2023, which prohibits the suspect from possessing firearms.

Q: Other identified victims

A: There are no other identified victims.

Q: Case coded properly

A: The case is coded properly, including the elements of assault, menacing, and violation of a protective order.

Q: Ongoing sexual abuse by the suspect

A: There is evidence of ongoing sexual abuse by the suspect.

Q: All spontaneous statements captured

A: All spontaneous statements are captured in the report.

Q: Victim incapacitated or incapable of giving consent

A: The victim was not incapacitated or incapable of giving consent.

Q: Drugs or alcohol used by the victim, including amounts and timespan

A: The victim did not report using any drugs or alcohol.

Q: Victim believes they were drugged

A: The victim does not believe she was drugged.

Q: Blood and urine collected if drug-facilitated sex assault is suspected

A: Blood and urine samples were not collected.

Q: Mental and/or physical incapacities documented

A: The victim's mental and physical incapacities, including her anxiety, fear, and visible injuries, are documented in the report.

Q: Officers assisted the victim with safety planning

A: The officers assisted the victim with safety planning, including providing her with information about local service providers.

Q: Victim provided with information about local service providers

A: The victim was provided with information about local service providers, including the address and phone number of the local domestic violence shelter.

Q: Forensic examination of the victim conducted

A: A forensic examination of the victim was conducted.

Q: Threat/risk assessment tool used with the victim

A: A threat/risk assessment tool was used with the victim.

Q: Firearms/weapons confiscated, including grounds for confiscation

A: The suspect's firearms, including a 9mm handgun and a shotgun, were not confiscated at the scene, but confiscation is pending a search warrant.

Partner/Family Member Assault — Scenario 1 of 5

Interviewee: Maya Ramos (victim)

Dispatch: Domestic disturbance reported at 1456 Oakwood Drive, Apt 3B, Springfield, Illinois, with a female reporting her boyfriend, now fled the scene, physically assaulted her

Scenario 1 of 5 for Partner/Family Member Assault

Q: Time of incident and arrival

A: The incident occurred at 10:45 PM on February 10, 2024, and officers arrived at 11:05 PM

Q: Relevant 911 information

A: The 911 call was made by a neighbor, Ms. Leila Patel, who reported hearing loud arguing and screaming coming from the residence of 1456 Oakwood Drive, Apt 3B, in Springfield, Illinois

Q: Immediate statements of either party

A: The victim, Ms. Maya Ramos, stated 'He pushed me and grabbed my neck, I'm scared' while the suspect, Mr. Julian Sanchez, claimed 'She started it, she's always yelling at me'

Q: Relationship of parties involved/witnesses

A: The parties involved are Ms. Maya Ramos and Mr. Julian Sanchez, who are in a romantic relationship and live together at the residence; a witness, Ms. Leila Patel, is a neighbor who overheard the argument

Q: Name, address, phone – work/home, employer, etc.

A: Ms. Maya Ramos: 1456 Oakwood Drive, Apt 3B, Springfield, IL 62711, (217) 123-4567, works at Memorial Medical Center; Mr. Julian Sanchez: same address, (217) 901-2345, employed at Springfield Auto Repair

Q: Individual's account of events

A: Ms. Maya Ramos stated that Mr. Julian Sanchez became angry and violent after she confronted him about his whereabouts the previous night; Mr. Julian Sanchez claimed that Ms. Maya Ramos was being possessive and controlling

Q: When and how violence started

A: The violence started around 10:30 PM when Mr. Julian Sanchez and Ms. Maya Ramos got into an argument about his whereabouts; the argument escalated, and Mr. Julian Sanchez allegedly pushed and grabbed Ms. Maya Ramos

Q: Officer observation related to account of events

A: Officer observations: Ms. Maya Ramos had visible red marks on her neck, and her voice was hoarse; Mr. Julian Sanchez had no visible injuries but appeared agitated and defensive

Q: Injuries, including those not visible, i.e. sexual assault, strangulation

A: Injuries: Ms. Maya Ramos had visible red marks on her neck, difficulty swallowing, and a raspy voice, indicating possible strangulation; no visible signs of sexual assault

Q: Emotional state/demeanor

A: Emotional state/demeanor: Ms. Maya Ramos was shaken, crying, and appeared fearful; Mr. Julian Sanchez was agitated, defensive, and dismissive

Q: Alcohol or drug use/impairment

A: No evidence of alcohol or drug use/impairment was observed or reported by either party

Q: Evidence collected (i.e. pictures, statements, weapons)

A: Evidence collected: photographs of Ms. Maya Ramos' injuries, statements from both parties, and a written witness statement from Ms. Leila Patel

Q: Children present, involvement in incident, general welfare; or Children not present, but reside at the residence

A: Two children, ages 7 and 9, were present at the residence but were not directly involved in the incident; they were escorted to a neighbor's residence for their safety and welfare

Q: Medical help offered or used, facility, medical release obtained

A: Medical help was offered to Ms. Maya Ramos, who declined transport to the hospital but was given information about local medical resources; a medical release was not obtained

Q: Rationale for arrest or non-arrest decisions

A: Mr. Julian Sanchez was arrested due to probable cause of domestic battery and strangulation; the decision was based on the visible injuries, witness statement, and Ms. Maya Ramos' account of events

Q: Summary of actions (i.e. arrest, non-arrest, attempt to locate, transport, referrals, victim rights form, seizing firearms)

A: Summary of actions: Mr. Julian Sanchez was arrested and transported to the Springfield Police Department; Ms. Maya Ramos was provided with information about victim rights, local resources, and referrals; a victim rights form was completed

Q: Existence of Orders of Protection, probation, warrants, prior convictions

A: An Order of Protection was issued against Mr. Julian Sanchez in 2022, which is still active; Mr. Julian Sanchez has a prior conviction for domestic battery in 2018 and is on probation

Q: Victim responses to risk questions including your observations of their responses

A: Ms. Maya Ramos reported feeling scared and fearful for her safety; she stated that Mr. Julian Sanchez has a history of violent behavior and owns firearms; officer observations: Ms. Maya Ramos appeared genuinely fearful and concerned for her safety

Partner/Family Member Assault — Scenario 2 of 5

Interviewee: Leila Morales-Ramirez (victim)

Dispatch: Domestic disturbance reported at 1456 Oakwood Drive, Apartment 3B, Springfield, Illinois, with a female victim and male suspect

Scenario 2 of 5 for Partner/Family Member Assault

Q: Time of incident and arrival

A: The incident occurred at 10:45 PM on February 10, 2024, and officers arrived at 11:05 PM

Q: Relevant 911 information

A: The 911 call was made by a neighbor, reporting a loud argument and screams coming from 1456 Oakwood Drive, Apartment 3B, in Springfield, Illinois

Q: Immediate statements of either party

A: The victim, Leila Patel, stated 'He's been hitting me and threatening to kill me' while the suspect, Kaito Nakamura, claimed 'She's just being dramatic, nothing happened'

Q: Relationship of parties involved/witnesses

A: Leila Patel and Kaito Nakamura are married and have two children, aged 7 and 9; a neighbor, Mrs. Elena Rodriguez, witnessed the argument and provided a statement

Q: Name, address, phone – work/home, employer, etc.

A: Leila Patel: 1456 Oakwood Drive, Apartment 3B, Springfield, IL 62711, (217) 555-1234 (home), (217) 555-5678 (work); Kaito Nakamura: same address, (217) 555-9012 (work), employed at Nakamura's Auto Repair

Q: Individual's account of events

A: Leila Patel stated that Kaito had been physically and emotionally abusive throughout their 10-year marriage, with incidents escalating over the past year; Kaito claimed Leila was 'crazy' and 'always causing problems'

Q: When and how violence started

A: The violence started around 10:00 PM when Kaito became angry over a conversation Leila had with a male friend on social media

Q: Officer observation related to account of events

A: Officer observations: Leila had visible bruises on her left cheek and neck, and Kaito had a scratch on his right hand; the living room was in disarray, with furniture overturned and objects broken

Q: Injuries, including those not visible, i.e. sexual assault, strangulation

A: Leila reported being strangled and punched by Kaito; she also had difficulty breathing and a raspy voice; Kaito denied any physical abuse, but officers observed petechiae on Leila's neck

Q: Emotional state/demeanor

A: Leila was visibly shaken, crying, and had a panicked demeanor; Kaito appeared calm and dismissive

Q: Alcohol or drug use/impairment

A: There was no evidence of alcohol or drug use/impairment by either party

Q: Evidence collected (i.e. pictures, statements, weapons)

A: Evidence collected: photographs of Leila's injuries, a broken vase, and a torn piece of clothing; statements from Leila, Kaito, and Mrs. Rodriguez; no weapons were found

Q: Children present, involvement in incident, general welfare; or Children not present, but reside at the residence

A: The two children, ages 7 and 9, were present in the apartment and were unharmed; they were taken into protective custody by a family friend, Ms. Nalini Desai, who resides at 1234 Maple Street, Springfield, IL 62701

Q: Medical help offered or used, facility, medical release obtained

A: Leila was offered medical help and was transported to St. John's Hospital for treatment; she was released with a medical report detailing her injuries

Q: Rationale for arrest or non-arrest decisions

A: Kaito was arrested due to probable cause of domestic battery and strangulation; Leila's visible injuries and statements, combined with the officer's observations, supported the arrest decision

Q: Summary of actions (i.e. arrest, non-arrest, attempt to locate, transport, referrals, victim rights form, seizing firearms)

A: Actions taken: Kaito was arrested, read his Miranda rights, and transported to the Springfield Police Department; Leila was provided with a victim's rights form and information about obtaining an Order of Protection; the children were taken into protective custody; Kaito's firearms, located at his workplace, will be confiscated pending a search warrant

Q: Existence of Orders of Protection, probation, warrants, prior convictions

A: There is an active Order of Protection against Kaito, issued on January 15, 2024; Kaito has a prior conviction for domestic battery in 2018 and is currently on probation

Q: Victim responses to risk questions including your observations of their responses

A: Leila reported feeling fearful and trapped in the relationship; she stated that Kaito has a history of violent outbursts and has access to firearms; Leila's responses to risk questions indicated a high level of danger, and she was provided with information about local resources and support services

Partner/Family Member Assault — Scenario 3 of 5

Interviewee: Leila Patel (victim)

Dispatch: Domestic disturbance reported at 1456 Oakwood Drive, Apt 3B, Richmond, Virginia, with a female victim alleging assault by her live-in boyfriend

Scenario 3 of 5 for Partner/Family Member Assault

Q: Time of incident and arrival

A: The incident occurred at 9:45 PM on February 10, 2024, and officers arrived at 10:05 PM

Q: Relevant 911 information

A: The 911 caller, a neighbor, reported hearing loud arguing and screaming coming from 1456 Oakwood Drive, Apt 3B, in Richmond, Virginia

Q: Immediate statements of either party

A: The victim, Ms. Leila Patel, stated 'He pushed me and threatened to hurt me if I leave him', while the suspect, Mr. Kofi Owusu, claimed 'She's just being dramatic, nothing happened'

Q: Relationship of parties involved/witnesses

A: The parties involved are Ms. Leila Patel, a 28-year-old female, and Mr. Kofi Owusu, a 30-year-old male, who are in a romantic relationship and live together at 1456 Oakwood Drive, Apt 3B

Q: Name, address, phone – work/home, employer, etc.

A: Ms. Leila Patel: 1456 Oakwood Drive, Apt 3B, Richmond, VA 23220, (804) 555-1234 (cell), works at Richmond General Hospital; Mr. Kofi Owusu: same address, (804) 555-5678 (cell), works at Dominion Energy

Q: Individual's account of events

A: Ms. Patel stated that Mr. Owusu became angry when she told him she wanted to end the relationship, and he pushed her against the wall, while Mr. Owusu claimed that Ms. Patel was the one who initiated the argument and he was just defending himself

Q: When and how violence started

A: The violence started at approximately 9:30 PM, when Mr. Owusu pushed Ms. Patel, according to her account

Q: Officer observation related to account of events

A: Officers observed a red mark on Ms. Patel's left cheek and a scratch on her right arm, consistent with her account of being pushed and scratched by Mr. Owusu

Q: Injuries, including those not visible, i.e. sexual assault, strangulation

A: Ms. Patel reported having difficulty breathing and a raspy voice, which may indicate strangulation, and officers observed petechiae on her neck

Q: Emotional state/demeanor

A: Ms. Patel appeared shaken and tearful, while Mr. Owusu seemed agitated and defensive

Q: Alcohol or drug use/impairment

A: There was no apparent alcohol or drug use/impairment by either party

Q: Evidence collected (i.e. pictures, statements, weapons)

A: Officers collected photos of Ms. Patel's injuries, a statement from the neighbor who called 911, and a torn piece of clothing that Ms. Patel claimed Mr. Owusu ripped during the altercation

Q: Children present, involvement in incident, general welfare; or Children not present, but reside at the residence

A: There are two children, ages 4 and 6, who were present in the residence during the incident, but were not directly involved; they are currently being cared for by a family friend at a nearby residence

Q: Medical help offered or used, facility, medical release obtained

A: Medical help was offered to Ms. Patel, who declined to go to the hospital but accepted a medical release form; EMS was summoned to evaluate her due to possible strangulation

Q: Rationale for arrest or non-arrest decisions

A: Mr. Owusu was arrested due to the visible injuries on Ms. Patel, her statement, and the witness statement from the neighbor, which provided probable cause for domestic assault

Q: Summary of actions (i.e. arrest, non-arrest, attempt to locate, transport, referrals, victim rights form, seizing firearms)

A: Officers arrested Mr. Owusu, transported him to the Richmond Police Department, provided a victim rights form to Ms. Patel, and referred her to local advocacy services; a search warrant will be sought to confiscate Mr. Owusu's firearms, which are located at the residence

Q: Existence of Orders of Protection, probation, warrants, prior convictions

A: There is an active Order of Protection against Mr. Owusu, issued on January 15, 2024, which prohibits him from contacting or approaching Ms. Patel; Mr. Owusu has a prior conviction for domestic violence in 2018

Q: Victim responses to risk questions including your observations of their responses

A: When asked about her risk level, Ms. Patel stated that she is 'very afraid' of Mr. Owusu and believes he will harm her if released; she also reported that he has access to firearms and has threatened to use them in the past

Partner/Family Member Assault — Scenario 4 of 5

Interviewee: Leila Patel (victim)

Dispatch: Domestic disturbance reported at 945 Oakbrook Drive, apartment 3B, in Eugene, Oregon, with a female reporting her boyfriend is being physically aggressive

Scenario 4 of 5 for Partner/Family Member Assault

Q: Time of incident and arrival

A: The incident occurred at 9:45 PM and officers arrived at 10:05 PM

Q: Relevant 911 information

A: The 911 caller, a neighbor, reported hearing loud arguing and screams coming from the residence of 945 Oakbrook Drive, Apt 3B, in Eugene, Oregon

Q: Immediate statements of either party

A: The victim, Leila Patel, stated 'He's been threatening me all night, and I'm scared' while the suspect, Kaito Nakamura, claimed 'She's just being dramatic, nothing happened'

Q: Relationship of parties involved/witnesses

A: Leila Patel and Kaito Nakamura are in a romantic relationship and have been living together for 2 years; they have a 4-year-old son, Rohan, who was present at the scene but unharmed

Q: Name, address, phone – work/home, employer, etc.

A: Leila Patel: 945 Oakbrook Drive, Apt 3B, Eugene, OR 97401, (541) 123-4567 (cell), (541) 987-6543 (work); Kaito Nakamura: same address, (541) 111-2222 (cell), employed at Sakura Restaurant

Q: Individual's account of events

A: Leila stated that Kaito became angry after she confronted him about his suspected infidelity, and he started yelling and pushing her; Kaito claimed Leila was the aggressor, but his account was inconsistent and lacked detail

Q: When and how violence started

A: The violence started around 9:00 PM when Leila confronted Kaito about his suspected infidelity, and it escalated over the next 45 minutes until the 911 call was made

Q: Officer observation related to account of events

A: Officer observations included visible red marks on Leila's neck and arms, a torn shirt, and a disheveled appearance; Kaito appeared calm but agitated when questioned

Q: Injuries, including those not visible, i.e. sexual assault, strangulation

A: Leila reported experiencing difficulty breathing and had visible bruising on her neck; she also alleged that Kaito had attempted to strangle her during the incident

Q: Emotional state/demeanor

A: Leila was visibly shaken, crying, and appeared fearful; Kaito was calm but became agitated when questioned about the allegations

Q: Alcohol or drug use/impairment

A: There was no evidence of alcohol or drug use/impairment by either party

Q: Evidence collected (i.e. pictures, statements, weapons)

A: Evidence collected included photographs of Leila's injuries, a torn shirt, and a written statement from Leila; Kaito's phone was seized as potential evidence

Q: Children present, involvement in incident, general welfare; or Children not present, but reside at the residence

A: Their 4-year-old son, Rohan, was present at the scene but unharmed; he was released to the care of Leila's sister, who arrived at the scene

Q: Medical help offered or used, facility, medical release obtained

A: Leila was offered medical help and transported to a local hospital for treatment; a medical release was obtained, and she was treated for non-life-threatening injuries

Q: Rationale for arrest or non-arrest decisions

A: Kaito was arrested due to the visible injuries on Leila, her credible account of the events, and the evidence collected; Leila's fear for her safety and the presence of a prior Order of Protection also contributed to the arrest decision

Q: Summary of actions (i.e. arrest, non-arrest, attempt to locate, transport, referrals, victim rights form, seizing firearms)

A: Kaito was arrested, transported to the local jail, and charged with domestic violence and attempted strangulation; Leila was provided with a victim rights form, and referrals were made to local advocacy services; Kaito's firearms, located at his residence, were seized pursuant to a search warrant

Q: Existence of Orders of Protection, probation, warrants, prior convictions

A: An active Order of Protection existed, issued 6 months prior, which prohibited Kaito from contacting or approaching Leila; Kaito had a prior conviction for domestic violence and was on probation

Q: Victim responses to risk questions including your observations of their responses

A: Leila reported feeling afraid for her safety and that of her son; she stated that Kaito had a history of violent behavior and had previously threatened to harm her; Leila's responses to risk questions indicated a high level of risk, and she was provided with information about local resources and support services

Partner/Family Member Assault — Scenario 5 of 5

Interviewee: Akua Mensah (victim)

Dispatch: Possible domestic disturbance in progress at 1456 Oakwood Drive, Apt 3, Richmond, VA, with a female screaming and a male yelling

Scenario 5 of 5 for Partner/Family Member Assault

Q: Time of incident and arrival

A: The incident occurred at 10:45 PM on February 10, 2024, and officers arrived at 11:05 PM

Q: Relevant 911 information

A: The 911 caller reported a domestic disturbance at 1456 Oakwood Drive, Apt 3, Richmond, VA, with a female screaming for help

Q: Immediate statements of either party

A: The victim, Akua Mensah, stated 'He's been beating me for hours' and the suspect, Kaito Nakamura, claimed 'She started it, I was just defending myself'

Q: Relationship of parties involved/witnesses

A: Akua Mensah and Kaito Nakamura are married, with no witnesses present, but their 7-year-old daughter, Yara, was asleep in her bedroom

Q: Name, address, phone – work/home, employer, etc.

A: Akua Mensah: 1456 Oakwood Drive, Apt 3, Richmond, VA 23220, (804) 123-4567, works at Richmond General Hospital; Kaito Nakamura: same address, (804) 901-2345, employed at Nakamura's Sushi Restaurant

Q: Individual's account of events

A: Akua Mensah reported that Kaito Nakamura became violent after she confronted him about his alleged infidelity, while Kaito Nakamura claimed Akua Mensah was 'being dramatic' and 'attacked him first'

Q: When and how violence started

A: The violence allegedly started at 9:00 PM when Akua Mensah discovered a suspicious text message on Kaito Nakamura's phone

Q: Officer observation related to account of events

A: Officer observations included a broken vase, a hole in the wall, and Akua Mensah's visible bruising on her left cheek and arm

Q: Injuries, including those not visible, i.e. sexual assault, strangulation

A: Akua Mensah had visible injuries, including a swollen lip, bruising on her left cheek and arm, and reported difficulty breathing and a raspy voice, indicating possible strangulation

Q: Emotional state/demeanor

A: Akua Mensah was shaken, crying, and appeared frightened, while Kaito Nakamura was calm, but agitated when speaking about Akua Mensah's allegations

Q: Alcohol or drug use/impairment

A: There was no evidence of alcohol or drug use/impairment by either party

Q: Evidence collected (i.e. pictures, statements, weapons)

A: Evidence collected included photos of Akua Mensah's injuries, a statement from Akua Mensah, and a broken vase

Q: Children present, involvement in incident, general welfare; or Children not present, but reside at the residence

A: Their 7-year-old daughter, Yara, was present, but not directly involved in the incident, and was taken to her grandmother's house for the night

Q: Medical help offered or used, facility, medical release obtained

A: Medical help was offered to Akua Mensah, who was transported to Richmond General Hospital for treatment, and a medical release was obtained

Q: Rationale for arrest or non-arrest decisions

A: Kaito Nakamura was arrested due to the visible injuries and Akua Mensah's statement, which provided probable cause for a warrantless arrest

Q: Summary of actions (i.e. arrest, non-arrest, attempt to locate, transport, referrals, victim rights form, seizing firearms)

A: Actions taken included arresting Kaito Nakamura, transporting Akua Mensah to the hospital, providing a victim rights form, and seizing a firearm found in the home, with a search warrant to be obtained for any additional firearms at Kaito Nakamura's business

Q: Existence of Orders of Protection, probation, warrants, prior convictions

A: There is an active Order of Protection against Kaito Nakamura, issued on January 15, 2024, and he has a prior conviction for misdemeanor domestic violence in 2018

Q: Victim responses to risk questions including your observations of their responses

A: Akua Mensah reported feeling fearful for her life, with concerns about Kaito Nakamura's access to firearms, and expressed a desire to pursue a restraining order and counseling

Protection Order Violation — Scenario 1 of 5

Interviewee: Leila Patel (victim)

Dispatch: Dispatch to 14787 Oakbrook Drive, Arlington, Texas, for a reported Protection Order Violation, suspect allegedly contacted the protected person via phone

Scenario 1 of 5 for Protection Order Violation

Q: Did the suspect use firearms during the incident that occurred?

A: No, the suspect did not use firearms during the incident that occurred

Q: Did the suspect use firearms in previous incidents?

A: Yes, the suspect used firearms in previous incidents, specifically during an argument at their residence on 1456 Oakwood Drive, Austin, TX, on February 10, 2022

Q: Did the suspect make threats— real or implied— to use firearms during the incident that occurred?

A: Yes, the suspect made threats to use firearms during the incident, stating 'I will shoot you if you leave me' to the victim, Ms. Leila Patel

Q: Did the suspect make threats— real or implied— to use firearms in previous incidents?

A: Yes, the suspect made threats to use firearms in previous incidents, including an incident on January 20, 2022, where they pointed a gun at the victim's brother, Mr. Rohan Patel, at 2100 Maple Street, Dallas, TX

Q: Does the suspect have access to firearms? If so, what are the details of the firearms? Where are they located?

A: Yes, the suspect has access to firearms, specifically a Glock 19 handgun and a Remington 700 rifle, which are located at their residence, 3411 Pine Street, Houston, TX

Q: Did the victim express fear about the suspect's access to firearms? If so, how was this captured in the report?

A: Yes, the victim, Ms. Leila Patel, expressed fear about the suspect's access to firearms, stating 'I am afraid he will kill me if he gets the chance', which was captured in the report on page 2, section 3

Q: Were firearms/weapons confiscated? If so, on what grounds?

A: No, firearms were not confiscated at the scene, but a search warrant is pending to confiscate the firearms from the suspect's residence, 3411 Pine Street, Houston, TX

Q: Is this individual prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence?

A: Yes, the suspect, Mr. Liam Chen, is prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence on June 15, 2020, in Los Angeles, CA

Q: Is this individual prohibited from possessing firearms due to a qualifying order of protection?

A: Yes, the suspect is prohibited from possessing firearms due to a qualifying order of protection, which was issued on August 10, 2022, by the Harris County Court in Houston, TX

Q: Is this individual prohibited from possessing firearms due to dishonorable discharge from the military?

A: No, there is no indication that the suspect was dishonorably discharged from the military

Q: Is the relationship of the parties identified?

A: The relationship of the parties is identified as intimate partners, with the victim, Ms. Leila Patel, and the suspect, Mr. Liam Chen, having been in a romantic relationship for approximately 3 years

Q: What is the history of the relationship? (include frequency of any violence, intimidation, and threats)

A: The history of the relationship includes frequent arguments and incidents of intimidation, with the suspect having a history of violent behavior, including an incident on March 25, 2021, where he punched the victim in the face at 1200 Cedar Street, San Antonio, TX

Q: Were all witnesses interviewed and documented?

A: Yes, all witnesses, including the victim's brother, Mr. Rohan Patel, and the neighbor, Ms. Ava Morales, were interviewed and documented in the report

Q: Were weapons/objects used?

A: Yes, a weapon was used, specifically a kitchen knife, which the suspect used to threaten the victim

Q: What was the emotional state of the victim (what did they report they were thinking and feeling)?

A: The victim reported feeling afraid, anxious, and helpless during the incident, stating 'I thought he was going to kill me'

Q: What evidence was collected?

A: Evidence collected includes a recording of the 911 call, a statement from the victim, and photos of the victim's injuries, which were taken at the scene and at the hospital

Q: Is evidence of fear articulated in the report?

A: Yes, evidence of fear is articulated in the report, with the victim stating 'I am afraid of him' and 'I don't feel safe'

Q: Have all threats been clearly documented?

A: Yes, all threats made by the suspect have been clearly documented in the report, including the threat to shoot the victim

Q: Are stalking behaviors identified? (e.g. following, repeated calling, sending unwanted gifts)

A: Yes, stalking behaviors are identified, including the suspect's repeated phone calls and text messages to the victim, as well as his showing up at her workplace, 2500 Broadway, New York, NY, on multiple occasions

Q: Is the use of coercion and/or force articulated?

A: Yes, the use of coercion and force is articulated, with the suspect using physical force to restrain the victim and prevent her from leaving the residence, 3411 Pine Street, Houston, TX

Q: Have all injuries (visible and non-visible) been documented? Were injuries existing or new?

A: Yes, all injuries, including a laceration on the victim's forehead and bruising on her arms, have been documented, and were existing and new

Q: Was there any property damage? Theft? Burglary?

A: Yes, there was property damage, including a broken vase and a hole in the wall, and the suspect also stole the victim's phone and wallet

Q: Did the victim report being strangled ("choked")? If so, was it described in detail?

A: Yes, the victim reported being strangled by the suspect, stating 'he choked me until I thought I was going to pass out', and provided a detailed description of the incident

Q: Did the victim need medical attention?

A: Yes, the victim needed medical attention and was transported to the hospital, where she was treated for her injuries

Q: Were all spontaneous statements captured and documented?

A: Yes, all spontaneous statements, including the victim's statement 'he's going to kill me', were captured and documented in the report

Q: Was information provided to the victim about local service providers?

A: Yes, information about local service providers, including the National Domestic Violence Hotline and the local women's shelter, was provided to the victim

Q: Was a threat/risk assessment tool used with the victim?

A: Yes, a threat/risk assessment tool was used with the victim, and the results indicated a high risk of future violence

Q: Did the officer gather comprehensive information about the suspect?

A: Yes, the officer gathered comprehensive information about the suspect, including his criminal history and previous incidents of domestic violence

Q: Was an arrest made?

A: Yes, an arrest was made, and the suspect was taken into custody and charged with felony domestic violence and violating a protection order

Q: What was the emotional state of the suspect (what did they report they were thinking and feeling)?

A: The suspect reported feeling angry and frustrated, stating 'she's always trying to leave me' and 'I just want her to stay with me'

Q: Was a threat/risk assessment tool used with the suspect?

A: Yes, a threat/risk assessment tool was used with the suspect, and the results indicated a high risk of future violence

Q: Was the proper protocol followed if the suspect was not on the scene?

A: Yes, the proper protocol was followed when the suspect was not on the scene, and a warrant was obtained for his arrest

Q: Are there any active warrants out for the suspect?

A: Yes, there is an active warrant out for the suspect, which was issued on September 1, 2022, for violating a protection order

Q: Has the suspect been the respondent to a protection order in the past?

A: Yes, the suspect has been the respondent to a protection order in the past, specifically on May 15, 2020, in Chicago, IL

Q: Is the time of the call recorded (including time of incident, time of dispatch, time of arrival)?

A: Yes, the time of the call is recorded, including the time of incident (22:45), time of dispatch (22:50), and time of arrival (23:05) on February 22, 2023

Q: Is the scene concisely described/diagramed?

A: Yes, the scene is concisely described and diagramed, including the location of the residence, 3411 Pine Street, Houston, TX, and the surrounding area

Q: Were photos taken and details recorded?

A: Yes, photos were taken and details recorded, including photos of the victim's injuries, the damaged property, and the suspect's vehicle, a black Toyota Camry, license plate number TX12345

Q: Are the elements of the crime(s) articulated to meet state and/or federal laws?

A: Yes, the elements of the crime(s) are articulated to meet state and federal laws, including the elements of felony domestic violence and violating a protection order

Protection Order Violation — Scenario 2 of 5

Interviewee: Leila Patel (victim)

Dispatch: Dispatch to 14783 Oakbrook Drive, Aurora, Colorado, report of a protection order violation, suspect Kaeden Nguyen on scene

Scenario 2 of 5 for Protection Order Violation

Q: Did the suspect use firearms during the incident that occurred?

A: No, the suspect did not use firearms during the incident that occurred

Q: Did the suspect use firearms in previous incidents?

A: Yes, the suspect used firearms in previous incidents, specifically during a domestic dispute in 2018

Q: Did the suspect make threats— real or implied— to use firearms during the incident that occurred?

A: Yes, the suspect made threats to use firearms during the incident that occurred, stating 'I'll show you what I can do with a gun'

Q: Did the suspect make threats— real or implied— to use firearms in previous incidents?

A: Yes, the suspect made threats to use firearms in previous incidents, including a threat to shoot the victim's car

Q: Does the suspect have access to firearms? If so, what are the details of the firearms? Where are they located?

A: The suspect has access to a Glock 19 handgun and a Remington 700 rifle, which are located at their residence at 1456 Oakwood Drive, Apartment 3, Denver, CO 80210

Q: Did the victim express fear about the suspect's access to firearms? If so, how was this captured in the report?

A: The victim expressed fear about the suspect's access to firearms, stating 'I'm afraid he'll use the gun to hurt me', which was captured in the report

Q: Were firearms/weapons confiscated? If so, on what grounds?

A: Firearms were not confiscated at the scene, but a search warrant is pending to confiscate the firearms from the suspect's residence

Q: Is this individual prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence?

A: Yes, the suspect is prohibited from possessing firearms due to a conviction for a misdemeanor crime of domestic violence in 2015

Q: Is this individual prohibited from possessing firearms due to a qualifying order of protection?

A: Yes, the suspect is prohibited from possessing firearms due to a qualifying order of protection issued on February 10, 2022

Q: Is this individual prohibited from possessing firearms due to dishonorable discharge from the military?

A: No, the suspect has not been dishonorably discharged from the military

Q: Is the relationship of the parties identified?

A: The relationship of the parties is identified as intimate partners, with the victim, Leila Patel, and the suspect, Kaeden Nguyen, having a 3-year romantic relationship

Q: What is the history of the relationship? (include frequency of any violence, intimidation, and threats)

A: The history of the relationship includes frequent verbal and physical altercations, with the suspect having a history of intimidation and threats, including a previous incident where he broke the victim's phone and threatened to harm her

Q: Were all witnesses interviewed and documented?

A: All witnesses, including the victim's neighbor, Jasmine Lee, and the responding officer's partner, Officer Michael Chen, were interviewed and documented

Q: Were weapons/objects used?

A: A kitchen knife was used as a weapon during the incident

Q: What was the emotional state of the victim (what did they report they were thinking and feeling)?

A: The victim reported feeling 'terrified' and 'helpless' during the incident, and stated 'I thought he was going to hurt me'

Q: What evidence was collected?

A: Evidence collected includes a torn piece of fabric, a broken phone, and a recorded 911 call

Q: Is evidence of fear articulated in the report?

A: Yes, evidence of fear is articulated in the report, with the victim stating 'I'm afraid of him' and 'I don't feel safe'

Q: Have all threats been clearly documented?

A: All threats, including the suspect's statement 'I'll kill you', have been clearly documented

Q: Are stalking behaviors identified? (e.g. following, repeated calling, sending unwanted gifts)

A: Stalking behaviors, including repeated calling and showing up at the victim's workplace, are identified

Q: Is the use of coercion and/or force articulated?

A: The use of coercion and force is articulated, with the victim reporting that the suspect 'pushed me against the wall' and 'grabbed my arm'

Q: Have all injuries (visible and non-visible) been documented? Were injuries existing or new?

A: All injuries, including a visible bruise on the victim's arm and a reported headache, have been documented, and were existing and new

Q: Was there any property damage? Theft? Burglary?

A: There was property damage, including a broken phone and a torn piece of fabric, but no theft or burglary

Q: Did the victim report being strangled ("choked")? If so, was it described in detail?

A: The victim reported being strangled, stating 'he choked me', and provided a detailed description of the incident

Q: Did the victim need medical attention?

A: The victim needed medical attention and was transported to the hospital for treatment

Q: Were all spontaneous statements captured and documented?

A: All spontaneous statements, including the suspect's statement 'I didn't do anything', have been captured and documented

Q: Was information provided to the victim about local service providers?

A: Information about local service providers, including the National Domestic Violence Hotline, was provided to the victim

Q: Was a threat/risk assessment tool used with the victim?

A: A threat/risk assessment tool was used with the victim, and identified a high risk of future harm

Q: Did the officer gather comprehensive information about the suspect?

A: The officer gathered comprehensive information about the suspect, including his address, employment, and prior convictions

Q: Was an arrest made?

A: An arrest was made, with the suspect being taken into custody at the scene

Q: What was the emotional state of the suspect (what did they report they were thinking and feeling)?

A: The suspect reported feeling 'angry' and 'frustrated' during the incident, and stated 'I didn't do anything wrong'

Q: Was a threat/risk assessment tool used with the suspect?

A: A threat/risk assessment tool was not used with the suspect, as he was uncooperative and refused to participate

Q: Was the proper protocol followed if the suspect was not on the scene?

A: The proper protocol was followed, as the suspect was present at the scene and was arrested

Q: Are there any active warrants out for the suspect?

A: There is an active warrant out for the suspect's arrest, issued on January 15, 2022, for a previous domestic violence incident

Q: Has the suspect been the respondent to a protection order in the past?

A: The suspect has been the respondent to a protection order in the past, in 2018, which was issued by the Denver County Court

Q: Is the time of the call recorded (including time of incident, time of dispatch, time of arrival)?

A: The time of the call is recorded, including the time of incident (02:45 AM), time of dispatch (02:50 AM), and time of arrival (03:05 AM)

Q: Is the scene concisely described/diagramed?

A: The scene is concisely described and diagramed, including a sketch of the residence and the location of the incident

Q: Were photos taken and details recorded?

A: Photos were taken and details recorded, including photos of the victim's injuries and the damaged property

Q: Are the elements of the crime(s) articulated to meet state and/or federal laws?

A: The elements of the crime, including domestic violence and violation of a protection order, are articulated to meet state and federal laws

Protection Order Violation — Scenario 3 of 5

Interviewee: Akira Nakamura (victim)

Dispatch: Possible protection order violation in progress at 8543 Oakbrook Drive, Aurora, Colorado, involving a male suspect and female victim

Scenario 3 of 5 for Protection Order Violation

Q: Did the suspect use firearms during the incident that occurred?

A: No, the suspect did not use firearms during the incident that occurred

Q: Did the suspect use firearms in previous incidents?

A: Yes, the suspect used firearms in previous incidents, specifically a handgun during a domestic dispute 2 years ago

Q: Did the suspect make threats— real or implied— to use firearms during the incident that occurred?

A: Yes, the suspect made threats to use firearms during the incident, stating 'I will shoot you if you leave me'

Q: Did the suspect make threats— real or implied— to use firearms in previous incidents?

A: No, no weapons or objects were used during the incident, but the suspect did throw a vase at the wall.

Q: What was the emotional state of the victim (what did they report they were thinking and feeling)?

A: The victim reported feeling scared, anxious, and helpless during the incident, stating 'I thought he was going to hurt me'.

Q: What evidence was collected?

A: Evidence collected includes a torn piece of fabric, a broken vase, and a written statement from the victim.

Q: Is evidence of fear articulated in the report?

A: Yes, evidence of fear is articulated in the report, with the victim stating 'I'm afraid of what he'll do next'.

Q: Have all threats been clearly documented?

A: Yes, all threats were clearly documented, including the suspect's statement 'You're dead' and 'I'll show you what I can do with a gun'.

Q: Are stalking behaviors identified? (e.g. following, repeated calling, sending unwanted gifts)

A: Yes, stalking behaviors are identified, including the suspect showing up at the victim's workplace and sending her unwanted gifts.

Q: Is the use of coercion and/or force articulated?

A: Yes, the use of coercion and/or force is articulated, with the victim reporting that the suspect pushed her and grabbed her arm.

Q: Have all injuries (visible and non-visible) been documented? Were injuries existing or new?

A: Yes, all injuries were documented, including a bruise on the victim's arm and a cut on her hand, which were existing injuries from a previous incident.

Q: Was there any property damage? Theft? Burglary?

A: Yes, there was property damage, including a broken vase and a torn piece of fabric, but no theft or burglary.

Q: Did the victim report being strangled ("choked")? If so, was it described in detail?

A: No, the victim did not report being strangled, but did report that the suspect grabbed her neck and squeezed during a previous incident.

Q: Did the victim need medical attention?

A: No, the victim did not need medical attention, but was advised to seek medical attention if her symptoms worsened.

Q: Were all spontaneous statements captured and documented?

A: Yes, all spontaneous statements were captured and documented, including the victim's statement 'I'm scared of him'.

Q: Was information provided to the victim about local service providers?

A: Yes, information was provided to the victim about local service providers, including the National Domestic Violence Hotline and the local women's shelter.

Q: Was a threat/risk assessment tool used with the victim?

A: Yes, a threat/risk assessment tool was used with the victim, which indicated a high risk of future violence.

Q: Did the officer gather comprehensive information about the suspect?

A: Yes, the officer gathered comprehensive information about the suspect, including his address, phone number, and employment history.

Q: Was an arrest made?

A: No, an arrest was not made at the scene because the suspect was not present, but a warrant is being sought.

Q: What was the emotional state of the suspect (what did they report they were thinking and feeling)?

A: The suspect's emotional state was not assessed because he was not present at the scene.

Q: Was a threat/risk assessment tool used with the suspect?

A: Not applicable, as the suspect was not present at the scene.

Q: Was the proper protocol followed if the suspect was not on the scene?

A: Yes, the proper protocol was followed if the suspect was not on the scene, including attempting to locate and apprehend the suspect.

Q: Are there any active warrants out for the suspect?

A: Yes, there is an active warrant out for the suspect for a previous domestic violence incident.

Q: Has the suspect been the respondent to a protection order in the past?

A: Yes, the suspect has been the respondent to a protection order in the past, which was issued in 2018.

Q: Is the time of the call recorded (including time of incident, time of dispatch, time of arrival)?

A: Yes, the time of the call is recorded, including the time of incident (02:45 AM), time of dispatch (02:50 AM), and time of arrival (03:05 AM).

Q: Is the scene concisely described/diagramed?

A: Yes, the scene is concisely described and diagramed, including a sketch of the residence and the location of the broken vase and torn fabric.

Q: Were photos taken and details recorded?

A: Yes, photos were taken and details recorded, including photos of the victim's injuries and the property damage.

Q: Are the elements of the crime(s) articulated to meet state and/or federal laws?

A: Yes, the elements of the crime(s) are articulated to meet state and/or federal laws, including the violation of the protection order and the misdemeanor crime of domestic violence.

Strangulation — Scenario 1 of 5

Interviewee: Kavita Deshpande (victim)

Dispatch: Report of a domestic disturbance at 8547 Oakbrook Drive, Arlington, Texas, with possible strangulation victim

Scenario 1 of 5 for Strangulation

Q: Difficulty breathing/unable to breathe

A: Yes, the victim reported difficulty breathing

Q: Hyperventilation

A: The victim was hyperventilating when officers arrived

Q: Raspy voice, hoarse voice, coughing, unable to speak

A: The victim had a raspy voice and was coughing

Q: Trouble swallowing, painful to swallow

A: The victim complained of pain when swallowing

Q: Neck pain

A: The victim reported neck pain on the left side

Q: Nausea, vomiting

A: The victim vomited once after the incident

Q: Involuntary urination or defecation

A: No involuntary urination or defecation occurred

Q: Dizziness, fainting/light-headed

A: The victim felt dizzy and lightheaded for a few minutes

Q: Headaches, head rush, ears ringing

A: The victim reported a headache on the right side of her head

Q: Loss of consciousness (how long?)

A: The victim lost consciousness for approximately 30 seconds

Q: Change in mental status (disoriented, memory loss, spaced out)

A: The victim was disoriented for about 10 minutes after the incident

Q: Petechiae (pinpoint red spots above the area of constriction)

A: Petechiae were visible on the victim's neck and face

Q: Hemorrhaging, bruising

A: Hemorrhaging and bruising were observed on the victim's neck

Q: Scratch marks, scrapes, abrasions

A: Scratch marks were found on the victim's neck and shoulders

Q: Bloody nose, broken nose

A: The victim's nose was not broken, but it was bloody

Q: Finger nail impressions

A: Finger nail impressions were visible on the victim's neck

Q: Swelling of the neck or face

A: Swelling was observed on the victim's neck and face

Q: Pulled/missing hair, bumps on head

A: The victim had pulled hair on the back of her head

Q: Skull fracture, concussion

A: No skull fracture or concussion was diagnosed

Q: *Swollen tongue, swollen lips*

A: The victim's lips were swollen, but her tongue was not

Q: *Diagram of injuries*

A: A diagram of the victim's injuries is included in the report

Q: *Existing (old) injuries*

A: The victim had existing bruises on her arms from a previous incident

Q: *Victim's jewelry*

A: The victim was wearing a silver necklace with a small pendant

Q: *Suspect's jewelry*

A: The suspect was wearing a gold watch and a silver ring

Q: *Gloves*

A: No gloves were found at the scene

Q: *Comprehensive information about the incident*

A: The incident occurred at 9:45 PM at 8547 Oakbrook Drive, Arlington, Texas

Q: *Suspect's handedness (right or left)*

A: The suspect is right-handed

Q: *Duration of strangulation*

A: The strangulation lasted for approximately 1 minute

Q: *Number of times the victim was strangled*

A: The victim was strangled twice during the incident

Q: *Smothering*

A: No smothering occurred during the incident

Q: *Shaking while being strangled*

A: Yes, the victim reported being shaken by the suspect while being strangled

Q: *Victim's head pushed into a wall, floor, or other surface*

A: The victim's head was pushed into the wall near the bedroom door

Q: *Property damage*

A: A broken vase and a damaged nightstand were found at the scene

Q: *Victim's attempt to protect themselves*

A: The victim attempted to protect themselves by trying to push the suspect's hands away from their neck

Q: *Suspect's emotional state*

A: The suspect was angry and yelling during the incident

Q: *Victim's emotional state*

A: The victim was frightened and crying during the incident

Q: *Active warrants for the suspect*

A: There was an active warrant for the suspect's arrest for a previous domestic violence incident

Q: *Previous protection orders against the suspect*

A: There was a previous protection order against the suspect that had expired 6 months prior to the incident, but a new valid protection order was in place at the time of the incident

Q: *Suspect's statements before, during, and after the incident*

A: The suspect stated 'You're going to pay for what you did' before the incident, 'Let me go' during the incident, and 'I didn't mean to hurt you' after the incident

Q: Victim's statements before, during, and after the incident

A: The victim stated 'Stop, you're hurting me' during the incident and 'I'm going to call the police' after the incident

Q: Suspect's demeanor before, during, and after the incident

A: The suspect was aggressive and defensive before, during, and after the incident

Q: Suspect's access to firearms

A: The suspect had access to a firearm, which was stored in a locked cabinet at their residence, but the firearm was not confiscated at the scene due to the suspect's arrest at the victim's address and the firearm being located at a different address

Q: Threats to use firearms

A: The suspect threatened to use a firearm against the victim during a previous incident

Q: Reason for stopping the strangulation

A: The suspect stopped the strangulation when the victim lost consciousness

Q: Medical attention provided

A: The victim was provided with oxygen and transported to the hospital for further medical attention

Q: Scene description/diagram

A: A detailed diagram of the scene, including the location of the broken vase and damaged nightstand, is included in the report

Q: Follow-up photos

A: Follow-up photos of the victim's injuries were taken at the hospital 2 days after the incident

Q: Relationship between parties

A: The victim and suspect were in a romantic relationship for 3 years prior to the incident

Q: Valid protection order in place

A: Yes, a valid protection order was in place, which prohibited the suspect from contacting or approaching the victim

Q: Events pre and post strangulation

A: The suspect and victim had an argument about finances before the incident, and the suspect became physically violent after the victim threatened to leave the relationship

Q: Previous incidents of strangulation, domestic/sexual violence, threats, or stalking

A: There were 2 previous incidents of domestic violence and 1 incident of stalking reported by the victim

Q: Witness statements

A: A neighbor reported hearing a loud argument and screaming coming from the residence, but did not witness the incident

Q: Method of strangulation (one hand, two hands, forearm, other body part, ligature, etc.)

A: The suspect used both hands to strangle the victim

Q: Other weapons involved

A: No other weapons were involved in the incident

Q: Direction of strangulation (from front or behind)

A: The suspect strangled the victim from behind

Q: Time of call, dispatch, and arrival

A: The call was made at 9:50 PM, dispatch arrived at 9:55 PM, and the officers arrived at 10:00 PM

Q: Arrest made

A: Yes, an arrest was made at the scene

Q: Suspect's injuries

A: The suspect had a small cut on their hand and a bruise on their cheek

Q: Injuries on suspect that may have been caused by the victim in self-defense

A: The cut on the suspect's hand may have been caused by the victim's attempt to defend themselves

Q: Local service providers' information

A: The victim was provided with information about the local domestic violence shelter and counseling services, including the Arlington VA Crisis Center and the National Domestic Violence Hotline

Strangulation — Scenario 2 of 5

Interviewee: Leila Patel (victim)

Dispatch: Report of a domestic disturbance at 1421 Oakwood Drive, Austin, TX 78704, with possible strangulation victim

Scenario 2 of 5 for Strangulation

Q: Difficulty breathing/unable to breathe

A: Yes, the victim reported difficulty breathing

Q: Hyperventilation

A: No hyperventilation was observed

Q: Raspy voice, hoarse voice, coughing, unable to speak

A: The victim had a raspy voice and was coughing

Q: Trouble swallowing, painful to swallow

A: The victim complained of painful swallowing

Q: Neck pain

A: The victim reported severe neck pain

Q: Nausea, vomiting

A: The victim experienced nausea but did not vomit

Q: Involuntary urination or defecation

A: No involuntary urination or defecation occurred

Q: Dizziness, fainting/light-headed

A: The victim felt dizzy and lightheaded

Q: Headaches, head rush, ears ringing

A: The victim reported headaches and a head rush

Q: Loss of consciousness (how long?)

A: The victim lost consciousness for approximately 30 seconds

Q: Change in mental status (disoriented, memory loss, spaced out)

A: The victim was disoriented and had memory loss

Q: Suspect's access to firearms

A: Kaito Yamato has access to a firearm, which is stored at his friend's house at 2345 Cedar Street, Austin, TX 78705

Q: Threats to use firearms

A: Kaito Yamato threatened to use the firearm against Leila Patel if she ever tried to leave him

Q: Reason for stopping the strangulation

A: The strangulation stopped when Leila Patel lost consciousness, and Kaito Yamato panicked and released his grip

Q: Medical attention provided

A: Leila Patel was provided with medical attention by EMS at the scene and was transported to St. David's South Austin Medical Center for further treatment

Q: Scene description/diagram

A: A diagram of the scene, including the location of the broken vase and shattered mirror, is attached to the report

Q: Follow-up photos

A: Follow-up photos of Leila Patel's injuries were taken at the hospital, and photos of the scene were taken by officers

Q: Relationship between parties

A: The relationship between Kaito Yamato and Leila Patel is that of intimate partners, having been in a romantic relationship for three years

Q: Valid protection order in place

A: Yes, there is a valid protection order in place, which was issued six months prior to the incident

Q: Events pre and post strangulation

A: Before the strangulation, the couple had been arguing about their relationship; after the strangulation, Kaito Yamato fled the scene, but was later found and arrested

Q: Previous incidents of strangulation, domestic/sexual violence, threats, or stalking

A: There have been two previous incidents of domestic violence, one incident of stalking, and one threat to use a firearm against Leila Patel

Q: Witness statements

A: A witness statement was taken from the neighbor, who reported hearing the argument and the sound of breaking glass

Q: Method of strangulation (one hand, two hands, forearm, other body part, ligature, etc.)

A: The method of strangulation was two-handed, with Kaito Yamato using both hands to constrict Leila Patel's neck

Q: Other weapons involved

A: No other weapons were involved in the incident

Q: Direction of strangulation (from front or behind)

A: The direction of strangulation was from behind, as Kaito Yamato approached Leila Patel and wrapped his hands around her neck

Q: Time of call, dispatch, and arrival

A: The time of the call was 10:50 PM, dispatch was at 10:52 PM, and arrival was at 10:55 PM

Q: Arrest made

A: Yes, an arrest was made, and Kaito Yamato was taken into custody

Q: Suspect's injuries

A: Kaito Yamato had a small scratch on his left hand, which he claimed was from a cat

Q: Injuries on suspect that may have been caused by the victim in self-defense

A: There were no visible injuries on Kaito Yamato that may have been caused by Leila Patel in self-defense

Q: Local service providers' information

A: Local service providers' information, including the National Domestic Violence Hotline and the Austin Women's Shelter, was provided to Leila Patel

Strangulation — Scenario 3 of 5

Interviewee: Kavita Deshpande (victim)

Dispatch: Possible domestic violence in progress, 1477 Oakbrook Drive, Aurora, Colorado, female reporting her boyfriend is choking her

Scenario 3 of 5 for Strangulation

Q: Difficulty breathing/unable to breathe

A: Yes, difficulty breathing

Q: Hyperventilation

A: No hyperventilation reported

Q: Raspy voice, hoarse voice, coughing, unable to speak

A: Raspy voice

Q: Trouble swallowing, painful to swallow

A: Painful to swallow

Q: Neck pain

A: Severe neck pain

Q: Nausea, vomiting

A: Nausea, but no vomiting

Q: Involuntary urination or defecation

A: No involuntary urination or defecation

Q: Dizziness, fainting/light-headed

A: Dizziness, but no fainting

Q: Headaches, head rush, ears ringing

A: Headaches

Q: Loss of consciousness (how long?)

A: No loss of consciousness

Q: Change in mental status (disoriented, memory loss, spaced out)

A: Disoriented

Q: Petechiae (pinpoint red spots above the area of constriction)

A: Petechiae present on the left side of the neck

Q: Hemorrhaging, bruising

A: Bruising on the right side of the neck

Q: Scratch marks, scrapes, abrasions

A: Scratch marks on the neck and face

Q: Bloody nose, broken nose

A: No bloody or broken nose

Q: Finger nail impressions

A: Finger nail impressions on the neck

Q: Swelling of the neck or face

A: Swelling of the neck

Q: Pulled/missing hair, bumps on head

A: Pulled hair, with some hair found on the floor

Q: Skull fracture, concussion

A: No skull fracture or concussion reported

Q: *Swollen tongue, swollen lips*

A: Swollen lips

Q: *Diagram of injuries*

A: The suspect threatened to use the firearm if the victim tried to leave him

Q: *Reason for stopping the strangulation*

A: The suspect stopped the strangulation when the victim started to lose consciousness

Q: *Medical attention provided*

A: The victim was provided with oxygen and transported to the hospital for further medical attention

Q: *Scene description/diagram*

A: A detailed diagram of the scene, including measurements and photographs, is attached to the report

Q: *Follow-up photos*

A: Follow-up photos were taken at the hospital, showing the progression of the victim's injuries

Q: *Relationship between parties*

A: The victim and suspect were in a romantic relationship for approximately 2 years

Q: *Valid protection order in place*

A: There was no valid protection order in place at the time of the incident

Q: *Events pre and post strangulation*

A: Before the strangulation, the couple had an argument about the suspect's jealousy; after, the suspect tried to apologize and downplay the incident

Q: *Previous incidents of strangulation, domestic/sexual violence, threats, or stalking*

A: There were previous incidents of domestic violence, including a reported incident of pushing and shoving in 2019

Q: *Witness statements*

A: A witness statement from the neighbor, Ms. Sofia Rodriguez, reported hearing loud arguing and screaming coming from the apartment

Q: *Method of strangulation (one hand, two hands, forearm, other body part, ligature, etc.)*

A: The suspect used both hands to strangle the victim

Q: *Other weapons involved*

A: No other weapons were involved in the incident

Q: *Direction of strangulation (from front or behind)*

A: The strangulation occurred from behind, with the suspect approaching the victim from the back

Q: *Time of call, dispatch, and arrival*

A: The call was made at 9:50 PM, dispatch arrived at 9:55 PM, and the officers arrived at 10:00 PM

Q: *Arrest made*

A: An arrest was made, and the suspect was taken into custody

Q: *Suspect's injuries*

A: The suspect had minor scratches on his hands and face

Q: *Injuries on suspect that may have been caused by the victim in self-defense*

A: The scratches on the suspect's hands may have been caused by the victim's attempts to defend themselves

Q: *Local service providers' information*

A: The victim was provided with information about local service providers, including the Aurora Domestic Violence Center and the National Domestic Violence Hotline

Strangulation — Scenario 4 of 5

Interviewee: Leila Hernandez (victim)

Dispatch: Report of a domestic disturbance with possible strangulation at 1456 Oakwood Drive, Apt 3, Richmond, Virginia, with a female victim and a male suspect

Scenario 4 of 5 for Strangulation

Q: Difficulty breathing/unable to breathe

A: Yes, the victim reported difficulty breathing

Q: Hyperventilation

A: The victim was hyperventilating when officers arrived

Q: Raspy voice, hoarse voice, coughing, unable to speak

A: The victim had a raspy voice and was coughing

Q: Trouble swallowing, painful to swallow

A: The victim complained of painful swallowing

Q: Neck pain

A: The victim reported severe neck pain

Q: Nausea, vomiting

A: The victim vomited once after the incident

Q: Involuntary urination or defecation

A: No involuntary urination or defecation occurred

Q: Dizziness, fainting/light-headed

A: The victim reported feeling dizzy and lightheaded

Q: Headaches, head rush, ears ringing

A: The victim had a headache and reported ears ringing

Q: Loss of consciousness (how long?)

A: The victim lost consciousness for approximately 30 seconds

Q: Change in mental status (disoriented, memory loss, spaced out)

A: The victim was disoriented and had memory loss

Q: Petechiae (pinpoint red spots above the area of constriction)

A: Petechiae were visible above the area of constriction on the victim's neck

Q: Hemorrhaging, bruising

A: Hemorrhaging and bruising were present on the victim's neck and face

Q: Scratch marks, scrapes, abrasions

A: Scratch marks and abrasions were found on the victim's neck and shoulders

Q: Bloody nose, broken nose

A: The victim had a bloody nose but no broken nose

Q: Finger nail impressions

A: Finger nail impressions were visible on the victim's neck

Q: Swelling of the neck or face

A: Swelling of the neck and face was evident

Q: Pulled/missing hair, bumps on head

A: The victim had pulled hair and bumps on the head

Q: Skull fracture, concussion

A: No skull fracture, but a possible concussion

Q: *Swollen tongue, swollen lips*

A: The victim had a swollen tongue and lips

Q: *Diagram of injuries*

A: A diagram of the injuries is attached to the report

Q: *Existing (old) injuries*

A: The victim had existing bruises on the arms and legs

Q: *Victim's jewelry*

A: The victim was wearing a silver necklace with a small pendant

Q: *Suspect's jewelry*

A: The suspect was wearing a gold watch and a silver ring

Q: *Gloves*

A: No gloves were found at the scene

Q: *Comprehensive information about the incident*

A: The incident occurred at approximately 10:45 PM at 1456 Oakwood Drive, Apt 3, in the city of Richmond, Virginia, when the suspect, Jamal Patel, strangled the victim, Leila Hernandez, during a domestic dispute

Q: *Suspect's handedness (right or left)*

A: The suspect is right-handed

Q: *Duration of strangulation*

A: The strangulation lasted for approximately 2 minutes

Q: *Number of times the victim was strangled*

A: The victim was strangled twice, with a brief interval in between

Q: *Smothering*

A: No smothering occurred

Q: *Shaking while being strangled*

A: Yes, the victim reported shaking violently while being strangled by Jamal Patel

Q: *Victim's head pushed into a wall, floor, or other surface*

A: The victim's head was pushed into the wall of the apartment, specifically the north wall of the living room

Q: Method of strangulation (one hand, two hands, forearm, other body part, ligature, etc.)

A: The method of strangulation was using both hands, with Jamal Patel's thumbs applying pressure to Leila Hernandez's neck

Q: Other weapons involved

A: No other weapons were involved in the incident

Q: Direction of strangulation (from front or behind)

A: The direction of strangulation was from the front, with Jamal Patel facing Leila Hernandez

Q: Time of call, dispatch, and arrival

A: The time of the call was 10:50 PM, dispatch was at 10:52 PM, and arrival was at 10:55 PM

Q: Arrest made

A: An arrest was made, and Jamal Patel was taken into custody and transported to the Richmond City Jail

Q: Suspect's injuries

A: Jamal Patel had minor injuries, including scratches on his face and a bruise on his cheek

Q: Injuries on suspect that may have been caused by the victim in self-defense

A: The injuries on Jamal Patel that may have been caused by Leila Hernandez in self-defense include the scratches on his face and the bruise on his cheek

Q: Local service providers' information

A: Local service providers' information, including the Richmond YWCA and the National Domestic Violence Hotline, was provided to Leila Hernandez

Strangulation — Scenario 5 of 5

Interviewee: Kavita Jensen (victim)

Dispatch: Possible domestic violence in progress, 2147 Cranberry Drive, Aurora, Colorado, female reporting her boyfriend is choking her

Scenario 5 of 5 for Strangulation

Q: Difficulty breathing/unable to breathe

A: Yes, the victim reported difficulty breathing

Q: Hyperventilation

A: No hyperventilation was observed

Q: Raspy voice, hoarse voice, coughing, unable to speak

A: The victim had a raspy voice and was coughing

Q: Trouble swallowing, painful to swallow

A: The victim complained of painful swallowing

Q: Neck pain

A: The victim reported neck pain on the left side

Q: Nausea, vomiting

A: The victim experienced nausea but did not vomit

Q: Involuntary urination or defecation

A: No involuntary urination or defecation occurred

Q: Dizziness, fainting/light-headed

A: The victim felt dizzy and lightheaded

Q: Headaches, head rush, ears ringing

A: The victim reported headaches and a head rush

Q: Loss of consciousness (how long?)

A: The victim lost consciousness for approximately 30 seconds

Q: Change in mental status (disoriented, memory loss, spaced out)

A: The victim was disoriented and had memory loss

Q: Petechiae (pinpoint red spots above the area of constriction)

A: Petechiae were visible above the area of constriction on the victim's neck

Q: Hemorrhaging, bruising

A: Hemorrhaging and bruising were observed on the victim's neck and face

Q: Scratch marks, scrapes, abrasions

A: Scratch marks and abrasions were found on the victim's neck and shoulders

Q: Bloody nose, broken nose

A: The victim had a bloody nose but no broken nose

Q: Finger nail impressions

A: Finger nail impressions were visible on the victim's neck

Q: Swelling of the neck or face

A: Swelling of the neck and face was observed

Q: Pulled/missing hair, bumps on head

A: The victim had pulled hair and bumps on the head

Q: Skull fracture, concussion

A: No skull fracture or concussion was diagnosed

Q: *Swollen tongue, swollen lips*

A: The victim had a swollen tongue and lips

Q: *Diagram of injuries*

A: A diagram of the injuries is attached to the report

Q: *Existing (old) injuries*

A: The victim had existing bruises on the arms and legs from previous incidents

Q: *Victim's jewelry*

A: The victim was wearing a silver necklace with a small pendant

Q: *Suspect's jewelry*

A: The suspect was wearing a gold watch and a silver ring

Q: *Gloves*

A: No gloves were found at the scene

Q: *Comprehensive information about the incident*

A: The incident occurred at approximately 10:45 PM at 1456 Oakwood Drive, Arlington, VA 22201

Q: *Suspect's handedness (right or left)*

A: The suspect is right-handed

Q: *Duration of strangulation*

A: The strangulation lasted for approximately 2 minutes

Q: *Number of times the victim was strangled*

A: The victim was strangled twice

Q: *Smothering*

A: No smothering occurred

Q: *Shaking while being strangled*

A: Yes, the victim reported shaking while being strangled due to fear and loss of breath

Q: *Victim's head pushed into a wall, floor, or other surface*

A: The victim's head was pushed into the wall near the bedroom door

Q: *Property damage*

A: A broken vase and a damaged door frame were found at the scene

Q: *Victim's attempt to protect themselves*

A: The victim attempted to protect themselves by trying to push the suspect's hands away from their neck

Q: *Suspect's emotional state*

A: The suspect was enraged and yelled at the victim during the incident

Q: *Victim's emotional state*

A: The victim was terrified, crying, and begged the suspect to stop

Q: *Active warrants for the suspect*

A: There was an active warrant for the suspect for a previous domestic violence incident

Q: *Previous protection orders against the suspect*

A: A previous protection order was issued against the suspect in 2020, but it has since expired

Q: *Suspect's statements before, during, and after the incident*

A: The suspect stated 'you'll never leave me' before the incident, 'stop struggling' during, and 'this is all your fault' after

Q: *Victim's statements before, during, and after the incident*

A: The victim stated 'please stop, I love you' during the incident and 'I'm going to leave you' after

Q: Suspect's demeanor before, during, and after the incident

A: The suspect was calm and collected before the incident, furious during, and defensive after

Q: Suspect's access to firearms

A: The suspect has access to a firearm, which is stored at their friend's house at 2345 Maple Street, Arlington, VA 22203

Q: Threats to use firearms

A: The suspect threatened to use the firearm if the victim ever tried to leave

Q: Reason for stopping the strangulation

A: The strangulation stopped when the victim lost consciousness and the suspect panicked

Q: Medical attention provided

A: The victim received medical attention at Virginia Hospital Center, including a CT scan and treatment for their injuries

Q: Scene description/diagram

A: A diagram of the scene, including the location of the broken vase and damaged door frame, is attached to the report

Q: Follow-up photos

A: Follow-up photos of the victim's injuries were taken at the hospital and will be added to the report

Q: Relationship between parties

A: The victim and suspect are in a romantic relationship and have been living together for 3 years

Q: Valid protection order in place

A: No valid protection order is currently in place, but the victim is considering obtaining one

Q: Events pre and post strangulation

A: The suspect and victim had an argument about the suspect's infidelity before the strangulation, and the victim packed their bags to leave after

Q: Previous incidents of strangulation, domestic/sexual violence, threats, or stalking

A: There have been three previous incidents of domestic violence, including one incident of strangulation, and several threats to harm the victim

Q: Witness statements

A: A witness statement was taken from the neighbor, who reported hearing the argument and the sound of breaking glass

Q: Method of strangulation (one hand, two hands, forearm, other body part, ligature, etc.)

A: The suspect used both hands to strangle the victim

Q: Other weapons involved

A: No other weapons were involved in the incident

Q: Direction of strangulation (from front or behind)

A: The strangulation occurred from behind the victim

Q: Time of call, dispatch, and arrival

A: The call was made at 10:50 PM, dispatch arrived at 10:55 PM, and the officers arrived at 11:00 PM

Q: Arrest made

A: Yes, an arrest was made, and the suspect is currently being held at the Arlington County Detention Center

Q: Suspect's injuries

A: The suspect had minor scratches on their hands and a bruise on their cheek

Q: Injuries on suspect that may have been caused by the victim in self-defense

A: The scratches on the suspect's hands may have been caused by the victim's attempt to defend themselves

Q: Local service providers' information

A: The victim was provided with information about the Arlington County Domestic Violence Program and the National Domestic Violence Hotline
